The city centre itself is quite compact (only around 1 square kilometre) and so exploring on foot is relatively easy. From your city centre accommodation you can easily stroll the cafes and restaurants around Courtenay Place and if you arrive early enough New Zealand's national museum, Te Papa, is also close by.

## Day 2

Leaving Wellington Harbour you pass many interesting points such as Pencarrow Head on top of which is New Zealand's oldest lighthouse (1859). Red Rocks is home to a seal colony and Oterangi Bay is the site which recorded the country's highest ever wind speed of 268 kph (167 mph). From the Cook Strait, spectacular views of the Kaikoura Ranges on the South Island can be enjoyed and dolphins and many sea birds are often seen.

Around one hour of the cruise takes you through the Marlborough Sounds - and this region of bush covered mountains, small islands, crystal clear waters and secluded bays is a remarkable photographic opportunity. At the end of Queen Charlotte Sound the cruise comes to an end in the picturesque town of Picton.

When you're not out on the deck enjoying the amazing views, you can retreat to the exclusive Premium Plus lounge which is the most comfortable and relaxing way to travel across the Cook Strait. You'll enjoy complimentary beverages, light snacks, lunch or breakfast, internet access, magazines and newspapers and the most comfortable seating, so you can sit back and enjoy the journey.

## Day 4

### Blenheim to Kaikoura

Cross the 'dry hills' of Marlborough and head towards one of the most spectacular coastlines of the South Island, the Kaikoura Coast. The road hugs the shore for around 50 kilometres and offers many chances to view native wildlife. To the east is the South Pacific Ocean and to the west the towering Kaikoura Ranges. Kaikoura Township is a bustling little place with many cafes, restaurants and shops, but the main reason for visiting here is the wildlife and it's one of the only places in New Zealand you can see whales year round.

### SUGGESTED ACTIVITY - Ocean's Cabin with Whale Watch Kaikoura

Experience New Zealand's only marine based whale watching company. Whale Watch Kaikoura offer a once-in-a-lifetime, up close encounter with the giant Sperm Whale. You are also likely to encounter New Zealand fur seals, dusky dolphins and albatross. Depending on the season you may also see pilot, blue and southern right whales as well as migrating humpbacks. Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally make an appearance.

Cruise in style on modern catamarans, specifically designed for whale watching, featuring large passenger cabins and outside viewing decks. Passenger numbers for each tour are kept below the vessel carrying capacity to ensure your tour experience remains a personal one.

### Your accommodation: The Factory

Located on the beachfront at Hapuku, 10 minutes North of Kaikoura The Factory offers luxury accommodation in the 100-year-old Hapuku Dairy Factory with dramatic views of snow-covered mountains on one side and the ocean on the other.

## Day 5

## Fishing Charter with Kaikoura Fishing Tours

On this incredible charter you will have the opportunity to catch a variety of fish, including the crayfish (New Zealand lobster) which are plentiful around the Kaikoura coastline. The name Kaikoura, given to this area by Maori, literally translates to food (kai) and lobster (koura), reflecting the abundance of this food source in the area. Easy to catch fin fish include sea perch, which are particularly abundant, delicious to eat and can often be caught two at a time on a double rig leader. Blue cod are also abundant, and are regarded as one of the finest eating fish in New Zealand. Other fish, such as Terakihi, Gurnard and Grouper are often caught, but the thrill for many is when it comes time to haul in the crayfish pots. When these are hauled to the surface, more often than not they contain crayfish. You then help to re-bait the pot, sort and measure the crayfish (to comply with New Zealand fisheries regulations), and are able to take some home with you.

## Day 6

### Kaikoura to Akaroa

The drive from Kaikoura to Christchurch continues to follow the spectacular coastline before heading inland and through North Canterbury's major wine region, the Waipara Valley. You are also introduced you to the South Island's most numerous inhabitant, the sheep. A great detour to take is the side trip to Hanmer Springs for a relaxing dip in the thermal pools.

Arriving into Christchurch City puts you close to the airport and the International Antarctic Centre and a visit is highly recommended. Here you can get as close to experiencing life on the frozen continent without actually visiting plus see New Zealand little blue penguins and ride in a Haaglund Tracked vehicle.

The Banks Peninsula offers a great contrast to the South Island's largest city. Just around a 1 1/2 hours drive from the city centre are rolling green hills, streams, golden sand beaches and small settlements that offer a unique insight into New Zealand's history and development.

Just on the other side of the Port Hills is Lyttelton, a busy port town that was crucial to the development of Christchurch and the Canterbury Plains. Following the road around the beautiful natural harbour the names, such as Magazine Bay, Battery Point, Corsair Point and Governors Bay, remind of the importance the navy placed on this harbour.

The Banks Peninsula itself is actually the remains of a long extinct volcano, the rim of which collapsed some time ago allowing the sea to flood into and create what is now the Akaroa Harbour. In 1840 French colonists settled in Akaroa in a bid to stake a claim for the South Island. Unbeknown the British had already declared sovereignty and a long drawn out dispute ensued with the British eventually being given government. However the French stayed and made this stunning part of the South Pacific their home and still to this day the town boasts French street names and every year a French Festival is held.

The Harbour itself is teeming with wildlife and a nature cruise is a must do activity. One of the world's smallest and rarest dolphins, hectors dolphin, are often seen and cruises also offer excursions with the chance to swim amongst them.

### Akaroa Harbour Nature Cruise

Experience majestic scenery and stunning wildlife daily on a Black Cat Akaroa Harbour Nature Cruise. You'll see the rare, native dolphin & the Hector's or New Zealand Dolphin. There's also the chance to spot the world's smallest penguin, the White Flipped Little Blue Penguin, Fur Seals and other sea birds.

Other cruise highlights are some majestic volcanic cliffs (including the impressive Cathedral Cave) and signs of Akaroa's fascinating past including early Maori, French and British settlements.

### Akaroa to Christchurch (via Lyttelton)

Head to Christchurch today crossing the hills with spectacular views of the harbour. We recommend taking the slightly longer but much more scenic route around Lyttelton Harbour. Just turn at Gebbies Pass Road and follow the road as it passes by the bays named after the areas naval past such as Corsair and Governors Bay. Take the tunnel into the city.

### Your accommodation: Distinction Hotel Christchurch

This luxury hotel is centrally located in the revitalised Cathedral Square in the heart of the city, a short stroll from the Avon River, Botanical Gardens, Christchurch Casino, Cashel Mall and new Christchurch Convention Centre.

Meals included: Breakfast

## Day 7

### Christchurch to Lake Tekapo

Today you head into the heart of the South Island. Crossing the vast Canterbury Plains along the inland scenic route the first township of Geraldine offers an ideal refreshment stop before you head into Mackenzie country.

Passing through places such as Beautiful Valley it's not hard to understand where the names originate. Ascending Burkes Pass and onto the high country plateau and the picturesque town of Lake Tekapo, the first of the large Southern Lakes. It's a great place to take a scenic flight, enjoy a guided horse trek, a boat trip on the pristine lake or just enjoy the magnificent views.

---

### Fishing at Lake Tekapo

Lake Tekapo, in the heart of the Mackenzie Country, is a very beautiful, turquoise coloured lake that provides good fishing for both brown and rainbow trout. It is the Northern most lake in the upper Waitaki basin and is mostly fed by snow melt, causing the light turquoise colour from the glacial silt. Lake Tekapo holds good numbers of trout and some reaching very impressive weights. There are a number of small creeks and rivers which generally flow clear providing excellent fishing at the point they enter the lake.

For the shoreline angler, some of the best fishing is to be found around the mouths of these small streams. Most anglers however prefer to troll a lure from a boat. There is good access to the southern shore via State Highway 8. The Lilybank road provides good access at several points along the eastern shore and the Godley Peaks road provides access near Lake McGregor and towards the northern end of the lake.

---

### Your accommodation: Lake Tekapo Lodge

Lake Tekapo Lodge is sited above the village of Tekapo and offers grand views to the lake and mountains. The three super king lake view rooms have doors to a terrace for you to enjoy the vista and the guest lounge is a quiet sanctuary for you to retreat to after a day exploring.

Meals included: Breakfast

## Day 8

### Lake Tekapo to Queenstown

Lake Pukaki is just another 30 minutes drive from Lake Tekapo and as you approach the lake you are often rewarded with spectacular views the full length of the lake and into Aoraki Mount Cook National Park. At 3754 metres Aoraki Mount Cook is New Zealand highest mountain and the peak can often be seen from the visitor centre at the southern end of Lake Pukaki. Twizel, just south of Mount Cook was the location of many Lord of the Rings movie scenes and a little further on is Omarama, the gliding capital of New Zealand. Wrinkly Rams is a local cafe; with great coffee and fresh homemade food. The Lindis Pass is one of New Zealand's highest roads with the summit reaching 971 metres. The tussock covered hills offer an unusual contrast as you pass from the Mackenzie Basin and into Central Otago.

Bendigo, just off the main highway, was one of Otago's original gold mining settlements and well marked paths will guide you to explore the remains of stone cottages and other buildings from this bygone era.

Cromwell sits at the head of the Kawarau Gorge. Cromwell old town has restored buildings from before the valley was flooded to create Lake Dunstan for the hydro systems. The sheer cliffs of the Kawarau Gorge guide you towards Queenstown and Gibbston - one of New Zealand's premier wine growing regions. At the famous historic Kawarau Bridge you can take a bungy jump or just watch others if you would rather.

Approaching Queenstown the impressive Remarkables mountain range come into view and then beautiful Lake Wakatipu as you head towards the alpine resort town of Queenstown, the adventure and activity capital of New Zealand.
