Welcome to Queenstown

Renowned for its adrenaline inducing activities Queenstown is synonymous with adventure. Parked on the shores of Lake Wakatipu this small alpine town is nestled below soaring vistas of The Remarkables Mountain Range. While arguably the brightest gem in New Zealand's crown, Queenstown offers far more than an action-packed getaway. Spend time on the Gibbston wine trail and end with a meal at Michelin star chef Josh Emett's restaurant, Rata. Take a trip down memory lane on a 100 year old steamship the TSS Earnslaw. Soak in the scenery on your walk around the lake, or venture further afield into Fiordland National Park. Head over the hill to resort town Wanaka, or re-live scenes from Lord Of The Rings by four wheel drive. But - if you really do want that rush - head out on the Shotover Jet, dive off the Nevis Bungy, freefall on the Canyon swing or Zip line the Gondola. Just be sure it's done on an empty stomach – don't say we didn't warn you!

Stop at Blue Pools for a 1-hour return walk through the native beech forest to a glacier-fed swimming hole. Continue on through the remote seaside settlement of Haast before heading up the wild West Coast highway you pass through ancient temperate rainforests while getting sneak peeks of the wild coast beaches occasionally. Day 4

Franz Josef to Arthur's Pass National Park

Driving north on State Highway 6 you pass through many small West Coast towns. Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman. Ross is the site of an old gold mining town and some of the old buildings remain. You can even pan for gold. The craft and gift stores in Hokitika are excellent with a great range of locally made items and if you want to explore further here then the Hokitika Gorge is worthy of a 50 minute detour.

State Highway 73 is the main road between the West Coast and Christchurch and the scenery is spectacular, even in the rain and there is a pretty good chance of rain in the high alpine mountains. With hundreds of waterfalls cascading down the bush-clad hillsides, it's not a road to be rushed. Originally the road was a pass used by Maori as they made their seasonal passage to look for the greenstone abundant in the West Coast mountains. When the gold rush hit the West Coast in the late 1800's then a road was quickly developed and not soon after the train. Today the main use for the track is transporting coal to Lyttelton Harbour but once a day the now world famous TranzAlpine Scenic Train takes a few hundred tourists and visitors between the two oceans.

The Oтира Gorge on the Western side of Arthur's Pass features a remarkable piece of engineering with the road passing high on a viaduct through this large valley. This is a recent addition to the route as the old road was washed away in a rock fall a few years ago. There are numerous lookout points giving great views of the valley and its engineering feat but watch out for the local residents, the kea. this bird is the world's only alpine parrot and can be extremely cheeky.

Arthur's Pass Township is a bustling place in the peak season with many walkers and adventurers using it as a base for the forays into the mountains of Arthur's pass National Park. The Department of Conservation centre here has an excellent display of the local history and is a great source of information for the many short walks in the area.

Explore Wilderness Lodge, Arthur's Pass

Nestled in mountain beech forest, midway between Christchurch and the West Coast, Wilderness Lodge Arthur's Pass offers stylish accommodation, great food, and warm hospitality in a spectacular mountain setting.

Set on a 4000 acre working sheep farm and nature reserve in the heart of the Southern Alps, a daily program of guided activities will be the highlight of your visit. Join naturalist and farmer guides to hike alpine trails, kayak wildlife refuge lakes, and experience life on a working farm.

Your accommodation: Wilderness Lodge, Arthurs Pass

Wilderness Lodge sits on it's own 3,000-hectare nature reserve and merino sheep farm and is surrounded by the mountains of Arthur's Pass National Park. Join nature guides to walk, canoe and discover kea parrots, giant buttercups, pygmy forests, alpine flower gardens and waterfalls.

Meals included: Breakfast, Dinner

Day 5

Arthur's Pass to Christchurch

Descending into the valleys of the Waimakariri this drive offers some spectacular views of the braided river valleys. Castle Hill Scenic Reserve sits in limestone country and the area is dotted with remarkable rock outcrops. A popular place with climbers it was also an important place for Maori in past years as they provided shelter on their seasonal journeys between the coasts. There is a network of walking paths allowing you to explore.

Descending onto the Canterbury Plains the rich farmland that attracted and helped settlers prosper becomes apparent as you head into the city of Christchurch.

Your accommodation: Peppers Clearwater Resort

Peppers Clearwater Resort is a waterfront property set within beautiful grounds overlooking the clear, shimmering Lake Kaikainui. All rooms offer either lake views or views of the championship fairways.
