Franz Josef

This rare glacier is one of only three in the world that descends from alpine heights into a temperate rainforest, almost reaching sea level. New Zealand is home to two of these unique glaciers, Franz Josef and Fox Glacier, both highly accessible and popular with visitors. The best ways to experience the glacier are through scenic flights or, for the adventurous, a heli-hike. You can also enjoy glacier views with a short drive from the village and walking tracks. Beyond the glacier, Franz Josef offers a wealth of adventure activities and beautiful forest and alpine walks, making it a must-visit destination.
