Travel along the sand-swept shore of Ninety Mile Beach in our purpose-built coach and experience sandboarding (weather permitting). In Māori tradition, Cape Reinga or Te Rerenga Wairua is the place where spirits depart on their long journey back to the homeland. Stand at the northernmost point of New Zealand and drink in the panoramic views. As you stand beneath the iconic lighthouse, and watch the Tasman Sea and the mighty Pacific Ocean collide far below, you'll feel the power of this special place. Throughout the day your local driver guide will provide an entertaining and thought-provoking insight into the culture, history and natural wonders of the Far North.&nbsp;

### Hole in the Rock Cruise with Fullers GreatSights

Board your cruise and take in the stunning views as you glide out through the islands and along the Rakaumangamanga Peninsula to Cape Brett, where a historic lighthouse keeps watch over and Piercy Island/Motukōkako, or as it is popularly known as the Hole in the Rock. According to Māori legend, local warriors used to paddle through the Hole in the Rock in their canoes before departing for battle. Drops of water from the cave roof above were a good omen. If conditions permit, your skipper will expertly guide the ship through the narrow space. Keep an eye out for common and bottlenose dolphins, whales, and other marine life during your cruise, and have your camera ready as you get up close to the action. Stop off at Otehei Bay on Urupukapuka Island where you have time to relax, take a walk, have a swim, or enjoy a bite to eat and drink from the on-site fully licensed cafe. The purpose-built catamaran is licensed by DOC (the Department of Conservation) for dolphin viewing and the crew has years of experience locating dolphins in these waters.&nbsp;
