Board your cruise and take in the stunning views as you glide out through the islands and along the Rakaumangamanga Peninsula to Cape Brett, where a historic lighthouse keeps watch over and Piercy Island/Motukōkako, or as it is popularly known as the Hole in the Rock. According to Māori legend, local warriors used to paddle through the Hole in the Rock in their canoes before departing for battle. Drops of water from the cave roof above were a good omen. If conditions permit, your skipper will expertly guide the ship through the narrow space. Keep an eye out for common and bottlenose dolphins, whales, and other marine life during your cruise, and have your camera ready as you get up close to the action. Stop off at Otehei Bay on Urupukapuka Island where you have time to relax, take a walk, have a swim, or enjoy a bite to eat and drink from the on-site fully licensed cafe. The purpose-built catamaran is licensed by DOC (the Department of Conservation) for dolphin viewing and the crew has years of experience locating dolphins in these waters.
