Day 1

Queenstown to Franz Josef with Glacier Shuttles

Leaving Queenstown, travel past picturesque scenery of massive mountain peaks and crystal-clear blue lakes. Journey across the Haast Pass to the other side of the Southern Alps, the landscape changes dramatically. Enter the wild and wonderful West Coast, a remote and unspoiled region. Wind your way past native rainforest, rocky coastlines and powerful waterfalls. Your journey concludes in the village of Franz Josef, your next base for exploration.

Your accommodation: Scenic Hotel Franz Josef Glacier

Only a breath away from the Franz Josef Glacier, Scenic Hotel is located in the heart of Franz Josef Village. Here you will find all of the amenities you would expect, as well as being close to the shops, restaurants and activities on offer in the beautiful Westland region.

Day 2

Explore Franz Josef

Franz Josef is a small yet lively town in the heart of New Zealand's West Coast, best known for its spectacular 12 km-long glacier. The township is surrounded by lush, rainforest-clad mountains and has a vibrant atmosphere with plenty to explore. A variety of scenic walking trails offer incredible views of the glacier, but for a truly up-close experience, a licensed helicopter tour is the only way to set foot on the ice. Beyond the glacier, unwind in the rejuvenating Hot Pools or visit the West Coast Wildlife Centre to spot rare kiwi birds. If you're in the mood for a more relaxed day, the township is home to charming souvenir and gift shops, as well as great dining spots like SnakeBite Brewery and King Tiger. Whether you're chasing adventure or relaxation, Franz Josef is a stunning blend of wild beauty and welcoming hospitality.

SUGGESTED ACTIVITY - Twin Glacier Scenic Helicopter Flight with The Helicopter Line

A spectacular scenic flight soaring over two of New Zealand's most famous glaciers, Fox and Franz Josef. Landing at the head of one and view the incredible sight of this frozen river as it winds its way through ancient carved valleys. It is important to read and understand the risks associated with this activity. A full risk disclosure can be found [here](#).

Franz Josef Nature Tour with Glacier Valley Eco Tours

Nestled in thick historic West Coast forest and a stone's throw from wild black sand beaches, this is one of the world's most unusual glaciers. Beautiful blue skies or magical misty rain, whatever the weather - you will feel like you are in Narnia or LOTR. With easy walking at your pace, information on glaciology, geology, geomorphology, flora and fauna, local legends, history, and small guided groups with fantastic guides, you will experience this glacier in style and in the best hands with the only local company. Wander past glacier rivers and streams and through beautiful podocarp forest; discover hidden natural treasures such as native snails, wild native mushrooms, and dozens of species of native orchids; listen to native bird song and waterfalls; see if you can spot a Chamois or a Tahr on the huge snow-capped mountains above while drinking a cup of tea and talking one-on-one with your guide.
