Lake Cruise and Island Nature Walk with Eco Wanaka

Lying close to the centre of Lake Wanaka is Mou Waho Island Nature Reserve. A unique glacial remnant of the last ice age, the island is also the historic site of early shipbuilding and used to be a stopping place for the steamers and log rafts that once plied the lake. Accessible from Wanaka by a 35-minute boat cruise, the landing is on the eastern side of the island where the remnants of the early settlement remain; a stone wharf and a hut. A well-formed track leads from the landing and climbs steadily through native bush to near the top of Tyrwhitt Peak. Just before the top, we see Arethusa Pool, a small lake on the island with small islands in it - very intriguing! From the top, we have a sweeping 360-degree view of Lake Wanaka, its surrounding mountains and valleys, and below Arethusa Pool. The perfect spot to stop for tea or coffee. Going back down the track gives us more time to take in our surroundings, listening to and watching the lively bird-life, and just enjoying this unique wildlife reserve. You will feel well rewarded as you re-join the boat for the cruise back to Wanaka. Total cruise time is 1.5 hours. The trip runs subject to weather and lake conditions. Depending on the planting season, you can help The Reforestation of Mou Waho by planting a tree.

Day 21

Napier City

Napier, a coastal gem, is famed for its 1930s Art Deco architecture, the annual Art Deco Weekend, stately Norfolk pines, nearby wineries, and fresh local produce. With a Mediterranean climate and over 2,200 hours of sunshine annually, it boasts a thriving café culture set against stunning heritage buildings. The city center has around 30 cafés within walking distance, while Ahuriri, just beyond Bluff Hill, offers more upscale dining. Marine Parade overlooks the Pacific Ocean and Cape Kidnappers, home to the world's largest mainland gannet colony. Visitors can explore Ocean Spa, the Hawke's Bay Museum, and the National Aquarium of New Zealand. Bluff Hill, a key landmark, provides sweeping views of Napier, Perfume Point, Westshore Beach, and the busy Port of Napier, which exports timber, fruit, and meat worldwide.

In 1931, Napier was devastated by a 7.8-magnitude earthquake, New Zealand's worst natural disaster. Fires ravaged the city, leaving 258 dead and many injured. Rebuilding efforts transformed Napier and Hastings into modern cities, while the uplifted Ahuriri Lagoon created much-needed land for expansion.

Explore Hawkes Bay

Discover Hawke's Bay, known in Māori as Te Matau-a-Māui or the fish hook of Māui. This is a region renowned for its Mediterranean charm, iconic Art Deco architecture, and award-winning wineries. Explore Mission Estate, the birthplace of New Zealand wine, or tour vineyards for a deeper dive into its winemaking legacy. Fans of the 1930s can enjoy a Vintage Car Tour, showcasing Napier's architectural gems. Outdoor enthusiasts can cycle over 200km of scenic trails or unwind at pristine beaches like Ocean and Waimarama. Indulge your taste buds with local delights, from honey and chocolate to fresh orchard produce. The Hawkes Bay is also home to an abundance of wildlife, head out on a Gannet Safari or educate yourself at the National Aquarium of New Zealand.

Gannet Safaris

Drive along the scenic coast from Napier to Te Awanga and join Gannet Safaris Overland and the world's largest, most accessible gannet colony at Cape Kidnappers. Gannet Safaris has been guiding visitors over Cape Kidnappers for over 35 years and their safaris are the only way to be driven right to within a few feet of these remarkable birds. You will travel in comfort in air-conditioned 4 x 4 wheeled vehicles, through Cape Kidnappers Station - traversing riverbeds, broad rolling pastures, stands of native bush, steep gullies and breath-taking inclines. There is a stop on the way at a spectacular cliff top with panoramic views of Hawke Bay right across to Mahia peninsular. The 36km, three hour trip includes a commentary by your tour guide/driver on the farming operation on Cape Kidnappers Station and an introduction to the gannets. On arrival at the gannets you can stretch your legs and take in the scenery from your position at the brink of the cliff's edge, 100 metres above the ocean!

SUGGESTED ACTIVITY - Hawkes Bay Wine and Dine Tour with Grape Escape

Experience a fun-filled Grape Escape wine and dine tour in the sun driving through absolutely stunning scenery. Meet like-minded people and share an appreciation of this region's fantastic wine. Day 24

Rotorua to Coromandel Township via Tairua

Pyes Pa Road is the scenic route towards the Bay of Plenty and the town of Tauranga before heading north along the coast towards the first of the Coromandel towns, Waihi. This old mining town still has an operating open-cast gold mine and you can view the workings of the Martha Mine from a vantage point signposted from the town centre. For rail enthusiasts, the Goldfields Railway operates passenger trains along a scenic and historic section of track towards Waikino. Next you will travel north to the popular locals' holiday destination of Whangamata with its golden beaches and surf, and onto Tairua. Here, The Mt Paku Summit offers spectacular views over the natural harbour and the Pacific Ocean. Further north you can take a side-trip to the famous Hot Water Beach and the holiday town of Hahei. North of Hahei Beach is the popular walk to Cathedral Cove, well worth the effort to view the massive, aptly named limestone formation on the golden sand beach. Heading north along the east coast of the Coromandel Peninsula you will pass through the town of Whitianga which sits in Mercury Bay (Te Whanganui-o-Hei). Stop here to take the small foot ferry over to Ferry Landing and explore Cooks Beach and Flaxmill Bay. Continue further north along the peninsula to Kuaotuna Beach and then west via the coastline of Whangapoua Harbour. On the west coast of the peninsula you will reach the Coromandel Township, whose history is steeped with the gold rush of the late 1800's and the pioneers and settlers of the area. Today there are still known deposits of gold, silver, lead and zinc throughout the ranges but residents and conservationists are unlikely to allow any form of exploitation of the region. Remote towns, isolated bays and a rich history of pioneers and fortune hunters make this one of the more diverse regions to explore.

Driving Creek Railway & Potteries - EyeFull Tower Tour

Driving Creek Railway and Potteries has become a Coromandel icon. The dream of Barry Brickell was to establish a pottery workshop on his land. Using a railway he would have access to the clay on the land and the pine kiln fuel. Over the next 15 years the railway developed until in 1990 it was finally licensed to carry fare paying passengers and ever since thousands of visitors have made the trip to Coromandel to experience this unique attraction. The 1 hour return train trip on the innovatively designed trains takes you through replanted native kauri forest and includes 2 spirals, 3 short tunnels, 5 reversing points and several large viaducts as it climbs up to the mountain-top terminus. The pottery is still producing and you can watch the artists at work as well as purchase items. It is important you read and understand the risks associated with this activity. For more information please see [here](#).

Your accommodation: Coromandel Court Motel

The Motels are in an excellent location with just a 3-minute stroll to shops and restaurants. Well equipped to ensure a comfortable stay.

Day 25

Coromandel Township to Snells Beach

The west coast of the peninsula drops to the Firth of Thames with steep pohutukawa clad cliffs while the east coast has an abundance of golden sand beaches and inlets.

On the other side of the Firth of Thames is Miranda and this out of the way spot is a haven for shorebirds.

R.B. Simpson discovered in 1940 that Miranda was a feeding ground for large numbers of wading birds. Since then ornithological societies have censused the numbers and found that 5-6,000 lesser knots and 7-10, 000 bar tailed godwits travel here during the summer months before departing to the Siberian and Alaskan feeding grounds. In addition over 20, 000 South Island pied oystercatchers and 300 wrybills spend the summer months here after breeding the South Island. Many more birds can also be found here and the Miranda Shorebirds Centre has lectures and displays.

The shoreline of Miranda itself is also very unique and is considered the finest example in the world of an active sand and chenier plain. The Hunua ranges to the east mark the original shoreline about 4000 years ago and since then continuous tidal and wind action has deposited shell ridges to form the land or coastal plain you see today. Continuing on State Highway 1 you pass through the city of Auckland and soon find yourself in the north shore suburbs. Houses soon give way to rolling farmland. Just south of Warkworth is Puhoi, an interesting town originally settled by Bohemians who had been displaced from their own country. It is also a great place to buy some of the local (and famous) Puhoi cheese. The town of Warkworth directs you east towards the coastline and Kawau Bay and Mahurangi Harbour and of course the seaside settlement of Snells Beach.

Sculptureum - Gardens and Galleries Experience

This 90-minute self-guided experience hosts you in a Garden of Creative Diversity with plenty of weird and wonderful art. The tour finishes with the sixth gallery which contains a stunning glass chandelier by American artist, Dale Chihuly. Be sure to indulge at the Rothko Restaurant located on site.

Arriving into the sub tropical Bay of Islands you are greeted with bush clad hillsides dropping to golden sand beaches. Paihia is the main tourist centre in the bay and has a great beach side atmosphere.

If conditions permit, your skipper will expertly guide the ship through the narrow space. Keep an eye out for common and bottlenose dolphins, whales, and other marine life during your cruise, and have your camera ready as you get up close to the action. Stop off at Otehei Bay on Urupukapuka Island where you have time to relax, take a walk, have a swim, or enjoy a bite to eat and drink from the on-site fully licensed cafe. The purpose-built catamaran is licensed by DOC (the Department of Conservation) for dolphin viewing and the crew has years of experience locating dolphins in these waters.
