### Welcome to Queenstown

Renowned for its adrenaline inducing activities Queenstown is synonymous with adventure. Parked on the shores of Lake Wakatipu this small alpine town is nestled below soaring vistas of The Remarkables Mountain Range. While arguably the brightest gem in New Zealand's crown, Queenstown offers far more than an action-packed getaway. Spend time on the Gibbston wine trail and end with a meal at Michelin star chef Josh Emett's restaurant, Rata. Take a trip down memory lane on a 100 year old steamship the TSS Earnslaw. Soak in the scenery on your walk around the lake, or venture further afield into Fiordland National Park. Head over the hill to resort town Wanaka, or re-live scenes from Lord Of The Rings by four wheel drive. But - if you really do want that rush - head out on the Shotover Jet, dive off the Nevis Bungy, freefall on the Canyon swing or Zip line the Gondola. Just be sure it's done on an empty stomach &nbsp; &ndash; don't say we didn't warn you!

## Day 3

## Wanaka

Nestled on the shores of one of New Zealand's largest lakes and framed by the stunning Southern Alps, Wanaka is an alpine village that perfectly blends adventure, breathtaking scenery, and a laid-back vibe. In winter, Wanaka transforms into a bustling hub as snow sports enthusiasts flock to its renowned ski fields, Treble Cone and Cardrona. As the gateway to Mount Aspiring National Park, it offers endless opportunities for hikers, with trails winding through remote wilderness, majestic peaks, and serene river valleys. Closer to town, you'll find a network of scenic walking tracks, such as the popular Mount Iron Track and the lakefront Wanaka Tree walk. For thrill-seekers, Wanaka is an adrenaline playground, offering skydiving, rock climbing, jet boating, and even scenic flights in a vintage Tiger Moth plane.

### Lake Cruise and Island Nature Walk with Eco Wanaka

Lying close to the centre of Lake Wanaka is Mou Waho Island Nature Reserve. A unique glacial remnant of the last ice age, the island is also the historic site of early shipbuilding and used to be a stopping place for the steamers and log rafts that once plied the lake. Accessible from Wanaka by a 35-minute boat cruise, the landing is on the eastern side of the island where the remnants of the early settlement remain; a stone wharf and a hut. A well-formed track leads from the landing and climbs steadily through native bush to near the top of Tyrwhitt Peak. Just before the top, we see Arethusa Pool, a small lake on the island with small islands in it - very intriguing! From the top, we have a sweeping 360-degree view of Lake Wanaka, its surrounding mountains and valleys, and below Arethusa Pool. The perfect spot to stop for tea or coffee. Going back down the track gives us more time to take in our surroundings, listening to and watching the lively bird-life, and just enjoying this unique wildlife reserve. You will feel well rewarded as you re-join the boat for the cruise back to Wanaka. Total cruise time is 1.5 hours. The trip runs subject to weather and lake conditions. Depending on the planting season, you can help The Reforestation of Mou Waho by planting a tree.

### Your accommodation: Tin Tub Luxury Lodge

Experience the Tin Tub Luxury Lodge in Wanaka, an alpine hideaway you won't want to leave. Enjoy the magnificent views while you relax in the heated swimming pool or from your personal balcony.

Meals included: Breakfast

## Day 4

### Wanaka to Franz Josef

The route follows the shores of Lakes Wanaka and Hawea before you enter the village of Makarora, the gateway to Mt. Aspiring National Park. The Blue Pools, just outside Makarora, are a wonderful 30-minute walk through pristine native beech forest. Descending into Mt. Aspiring National Park and towards the Haast Pass, crashing rivers and waterfalls are around every corner. Crossing the Haast River you are now truly on the wild West Coast, a 600-kilometre stretch of bush, rainforest, and podocarp forest.

Paringa Salmon Farm is a great halfway stop to stretch your legs, feed the fish, and stop for lunch or refreshment.

First Fox Glacier welcomes you to the glacier region and Franz Josef township is just a further 45 minutes' drive over the impressive Fox Hills.

### Your accommodation: Westwood Lodge

Westwood is a purpose built lodge, crafted entirely from wood and exquisitely decorated throughout. The lounge is the place to meet to watch the Southern Alps turn a soft pink in the setting sun.

## Day 6

## Franz Josef to Arthur's Pass National Park

Driving north on State Highway 6 you pass through many small West Coast towns. Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman. Ross is the site of an old gold mining town and some of the old buildings remain. You can even pan for gold. The craft and gift stores in Hokitika are excellent with a great range of locally made items and if you want to explore further here then the Hokitika Gorge is worthy of a detour.

State Highway 73 is the main road between the West Coast and Christchurch and the scenery is spectacular, even in the rain and there is a pretty good chance of rain in the high alpine mountains. With hundreds of waterfalls cascading down the bush-clad hillsides, it's not a road to be rushed. Originally the road was a pass used by Maori as they made their seasonal passage to look for the greenstone abundant in the West Coast mountains. When the gold rush hit the West Coast in the late 1800's then a road was quickly developed and not soon after the train. Today the main use for the track is transporting coal to Lyttelton Harbour but once a day the now world famous TransAlpine Scenic Train takes a few hundred tourists and visitors between the two oceans.

The Otira Gorge on the Western side of Arthur's Pass features a remarkable piece of engineering with the road passing high on a viaduct through this large valley. This is a recent addition to the route as the old road was washed away in a rock fall a few years ago. There are numerous lookout points giving great views of the valley and its engineering feat but watch out for the local residents, the kea. this bird is the world's only alpine parrot and can be extremely cheeky.

Arthur's Pass Township is a bustling place in the peak season with many walkers and adventurers using it as a base for the forays into the mountains of Arthur's pass National Park. The Department of Conservation centre here has an excellent display of the local history and is a great source of information for the many short walks in the area.

---

## Arthur's Pass National Park

Arthur's Pass National park straddles the Southern Alps and because of this, offers a landscape of contrast. The Western regions of the park benefit from the high rainfall that drops from the prevailing winds as it ascends the main divide, creating lush rainforests. The east is much drier and dominated by beech forest. Between the two lies the mountainous areas of the Southern Alps with home to kea and snow tussock.

As well as the natural wonders of the park there is a long history of human presence, beginning with early Maori who used the passes to travel between the east and west coasts to trade pounamu. In 1864 Arthur Dobson surveyed the area with a view to creating a reliable route and despite his advice that it was 'almost impossible' a large number of men carved a rudimentary road through the Southern Alps - completing it in 1866. The recent Otira Viaduct was a major engineering achievement and greatly minimises the hazards of travelling this way. The West Coast goldfields were the driver for the creation of the road and also led to Arthur's Pass village being developed.

The village still exists and provides amenities including a store, cafes, restaurants and the Department of Conservation visitor centre. There are a number of ways to explore the National Park, including hiking, caving and bird-watching. Visit the DOC visitor centre, to be advised on the most suitable walks for your ability and the weather conditions. Alternatively, if you are staying at Grasmere Lodge or Wilderness Lodge Arthur's Pass you are right on the park's doorstep.

From Christchurch or Greymouth catch the TransAlpine scenic train for stunning Arthur's Pass vistas.

The region is considered to have one of the clearest night skies in the world and is one of the few gold-rated dark sky reserves worldwide.

The Hermitage Hotel complex offers fine dining, multiple cafes and a bar. Due to the remote location of the property, there are no shops and limited supplies at Mt Cook Village.
