Explore Queenstown

Well-known as New Zealand's 'adventure capital', Queenstown is home to a range of adventures, from the world's first and most famous bungee jumps to jet boat thrills, white-water rafting, and skydiving. However, Queenstown offers far more than a fast-paced, action-packed holiday. Settled on the shores of beautiful Lake Wakatipu beneath a soaring panorama of the Remarkables Mountain Range, this alpine town is surrounded by a plethora of historic, gastronomic, and scenic wonders. Take a stroll through the beautiful lakefront parks and gardens, browse through market stalls on weekends, dine in wonderful al-fresco restaurants, or ride on the 100-year-old historic Steamship - TSS Earnslaw to Walter Peak Station. Take the Queenstown Gondola up to Bob's Peak and soak up the panoramic views of the magnificent lake and mountain ranges. And after all of that, if you do want the adrenaline rush, Queenstown is known for taking your pick from the Shotover Jet, Canyon Swing, Zipline, Luge, or Heli-ski.

SUGGESTED ACTIVITY - Shotover Canyon River Jet Boat Adventure

Riding the iconic 'Big Red' Jet Boat through the narrow Shotover Canyon is an exhilarating experience not to be missed. Your skilled jet boat driver pushes the boat to 85 kph, skimming across shallow water and past towering canyon walls. This 25 minute white water ride includes 360 degree spins and maximum thrills.

SUGGESTED ACTIVITY - Adventure Quad Bike Tour

The Adventure Quad Bike Tour offers tailor made tours for families, beginner and experienced riders across 11,000 acres of New Zealand's best off-road terrain. The adventure tour is designed for those looking for excitement and a challenge. This tour gives you the most amount of ride time (1.5 hours) within the half day tour. You will begin your adventure at the gold workings on the Kawarau River and progresses up into the mountains. You will ride in small select groups according to ability, so whether you're a beginner or a professional you are guaranteed a challenging and exciting time.

SUGGESTED ACTIVITY - Dart River Safaris Funyaks

The best way to see, touch and feel the breathtaking Dart River valley. Jet boat for 14 hours to the upper reaches of the Dart River, where visitors disembark and inflate their own canoe. After a full safety and paddling instruction, your Funyak journey begins. Paddle downstream on a glacier-fed river amidst rocky peaks and dense rainforests. Enjoy a sumptuous lunch and explore the Rock Burn Chasm and ancient beech forests. Paddle to Paradise then transfer to an awaiting back road coach for the return trip through Paradise. Funyaks is suitable for most ages with average fitness and no previous experience is required. It is important you read and understand the risks associated with this activity. Day 4

Queenstown to Dunedin

Your route today is a historic one with many small towns along the way. Go through the Kawarau Gorge and stop at one of its renowned wineries. The gorge is also home to the world's first commercial bungee jumping operation and a viewing platform lets you watch others as you build the courage to try it yourself - or not! A little further you'll come to Cromwell, sitting beside the man-made Lake Dunstan - created when the valley was flooded in 1992 as part of the hydro electric scheme. As a result, much of the original town is now submerged, but several historic buildings were relocated to 'Old Cromwell Town'. Continue on through the Otago Goldfields. Pass the townships of Alexandra, Lawrence and Roxburgh - once with booming populations three times their current at the height of the 1800's gold-rush. Many of the old settlements remain and are worth a look if you can spare the time. Alexandra in more recent times has become the 'stone fruit capital' of New Zealand - named for its ideal fruit growing climate. As you drive further south the landscape changes to rolling hills and windswept farmland - melding fluidly with the rugged coast of Dunedin, your destination for the night.

Your final morning in Queenstown before driving to the airport and catching your next flight

Depending on when your flight departs you might have time for one last Queenstown adventure before dropping your car off at the airport and catching your flight.
