Explore Christchurch City

Following the 2011 earthquake that razed its centre and much of the outlying suburbs, Christchurch is well into a billion-dollar makeover. In the middle of the Canterbury Plains, bordering the pacific ocean, New Zealand's newest city is an ideal gateway to exploring the middle of the South.

Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink.

Drive an hour in any direction to ski, mountain bike, wine taste, whale-watch, bungee jump or play golf. Take the winding Port Hills road to the French settlement of Akaroa and tour the vines in Waipara for an authentic New Zealand wine-tasting experience.

SUGGESTED ACTIVITY - Christchurch Gondola

In the Heathcote Valley, just fifteen minutes from the heart of Christchurch City, ride the Christchurch Gondola for nearly a kilometer to the collapsed rim of an extinct volcano, which exploded six million years ago. Take in the spectacular panoramic views of the central city, Lyttelton Harbour, Banks Peninsula, Canterbury Plains, and the distant peaks of the Southern Alps. Wander the summit complex, enjoy a coffee or lunch in the cafe, and choose one of many nature walks to explore or visit the Christchurch Discovery Ridge, a dramatic reconstruction of the history of the Port Hills and Christchurch.

SUGGESTED ACTIVITY - Discover Christchurch Afternoon Tour

A half day sightseeing tour of Christchurch highlighting both the damage to the city inflicted by several large earthquakes in 2010 and 2011 and the rebuild which is currently in progress, together with the surviving beauty of the city and the historical landmarks. Experience the grand architecture, beautiful gardens and scenic viewpoints on a half-day city tour of Christchurch.

The tour commences in the central city of Christchurch and covers the area which was completely devastated by the Christchurch earthquakes in February 2011. The guide will explain both the history of the city and the effects of the earthquake. On leaving the inner city, the tour travels to Mona Vale a historic homestead and gardens. Then you will travel to the Sign of the Takahe, a historic building with a lookout providing spectacular views over the city, Canterbury Plains and to the Southern Alps. The tour then travels via the Port Hills and Lyttelton Harbour by way of the Sign of the Kiwi and Governors Bay to the Port of Lyttelton. The tour proceeds through the Lyttelton harbour tunnel to the seaside suburb of Sumner and cave rock before returning to the central city where the tour will conclude.

Your accommodation: Bella Vista Christchurch

Bella Vista Motel Christchurch offers a great range of comfortable modern units with excellent facilities. Enjoy the convenience of being located in close proximity to the Christchurch CBD, shops, entertainment and other activities.

Day 3

Christchurch to Kaikoura

The drive north from Christchurch to Kaikoura takes you through the rolling hills of North Canterbury's major wine region, the Waipara Valley. Allow time for a detour and visit Hanmer Springs for a dip in the mineral hot pools. Continue on and cross the Hawkswood Range before descending to the spectacular Kaikoura coastline - where the road hugs the ocean for the last leg of the drive.

Your accommodation: The White Morph, Kaikoura

Set on the Esplanade in Kaikōura, The White Morph enjoys commanding views of the ocean and mountains. Just a 10-minute walk into town, The White Morph has been beautifully placed so that you can take in the spectacular scenery of Kaikoura while enjoying the variety of attractions on offer.

Day 4

Ocean's Cabin with Whale Watch Kaikoura

Experience New Zealand's only marine based whale watching company. Whale Watch Kaikoura offer a once-in-a-lifetime, up close encounter with the giant Sperm Whale. You are also likely to encounter New Zealand fur seals, dusky dolphins and albatross. Depending on the season you may also see pilot, blue and southern right whales as well as migrating humpbacks. Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally make an appearance.

Cruise in style on modern catamarans, specifically designed for whale watching, featuring large passenger cabins and outside viewing decks. Passenger numbers for each tour are kept below the vessel carrying capacity to ensure your tour experience remains a personal one.

Kaikoura to Abel Tasman National Park

Heading north from Kaikoura, the road hugs the shore for approximately 50 kilometres and offers many opportunities to view the native wildlife such as seabirds and New Zealand fur seals. One of the best seal watching locations is Ohau Point (25km north of Kaikoura), where you can observe the adults on the shoreline and the pups frolicking in the waterfall, just a short walk from the road (signposted). As you drive you will have turquoise waters of the South Pacific Ocean to your east and to the west the towering Kaikoura Ranges. Crossing the dry hills of the Marlborough ranges you head towards New Zealand's largest wine producing region. The vineyards surrounding Blenheim are a great place to stop for a wine tasting or lunch at one of the many fine restaurants, including the award winning Herzog Winery and Restaurant. A short drive from Blenheim you reach the busy port town of Picton, and it's here that the Interislander ferries arrive and depart. The town centre is quite small with plenty of shops and cafes and the waterfront area is a very pleasant place to spend time watching the activity of the ships. The Edwin Fox Maritime Centre on the wharf is worth a visit with the star attraction being the vessel the Edwin Fox, reputedly the 9th oldest ship in the world. It's also the starting point for the famous Queen Charlotte Walk. Queen Charlotte Drive travels the Marlborough Sounds coastline between Picton and Havelock. Magnificent views of the sounds can be had from many vantage points so allow plenty of time to enjoy the scenery. The highway between Nelson and Picton also crosses the Pelorus River and just at this junction is the famous and historic Pelorus Bridge. From here there are a number of forest walks with the most popular the 30 minute loop through beech, rimu and totara forest to the swing-bridge. Crossing the Bryant Range you arrive onto Tasman Bay and the city of Nelson. Motueka is a further 45 minutes along the bay and from there it's just a short drive to Kaiteriteri and Marahau, all ideal spots from which to explore the beautiful Abel Tasman National Park.

Your accommodation: Ocean View Chalets

The Ocean View Chalets are situated on a 50-acre farmlet, slightly elevated and nestled along the bush line with panoramic sea views. Great access the National Park and close to the friendly Marahau village.

Day 5

Abel Tasman National Park

Abel Tasman National Park, known for its coastal hiking track has an abundance of golden beaches, inlets and private lagoons. The park has a mild climate and is a special place to visit at any time of the year. Why not enjoy a scenic cruise through the Sounds or take a kayaking tour around its many sheltered bays? Relax to the melodious birdsong and get up close to some of the parks many animal residents, including native bats, geckos, birds and marine mammals fur seals and dolphins.

Beaches, Bays and Seals Guided Sea Kayaking Trip Including Picnic Lunch

Combining the best of the Abel Tasman, this trip showcases incredible beaches, coastal walks and native wildlife. First you'll meet your guide and join the 9.30 am Vista Cruise along the magnificent coastline to Torrent Bay. You'll then arrive at Torrent Bay Lodge and complete a full training session and safety briefing before moving on to the water in kayaks to discover beautiful beaches, tidal estuaries and rivers.

Stop for a picnic lunch in a sheltered cove and take some time to swim, explore or sunbathe on the sand. On your return trip, if the winds are favourable, sails will be hoisted and you'll sail back via Pinnacle Island to view the seal colony there - if you're lucky, you may even see some resident blue penguins at the same time. Arriving back at Torrent Bay Lodge, freshen up with a hot shower and re-join the vista cruise back to Kaiteriteri, arriving at 4.10 pm.

During the summer there is the option to enjoy an unguided two hour coastal bush walk after the kayaking trip. Walk around the picturesque Torrent Bay Lagoon via Cleopatra's Pool to the anchorage where you will re-join the boat back to Kaiteriteri.

Your accommodation: Ocean View Chalets

The Ocean View Chalets are situated on a 50-acre farmlet, slightly elevated and nestled along the bush line with panoramic sea views. Great access the National Park and close to the friendly Marahau village.

Day 6

Marahau to Punakaiki

The drive today takes you along the Buller Gorge and offers some wonderful scenery as you follow this magnificent river. The town of Murchison is a quiet place and a great lunch stop. Underneath its sleepy farming facade is an adventurers' paradise with white water rafting, kayaking, 4WD trips, and some great trout fishing.

The first major town (by this region's standard) is Inangahua and a small museum tells of the earthquake that hit the region in 1968 leaving 70% of the buildings damaged or inhabitable. Further along the river one of the must-stop places is Whites Creek and New Zealand's longest swing bridge. Crossing the river you get magnificent views of the gorge and once on the other side, there are short bush walks, jet boat rides, and some of the historic gold mining remnants.

The port town of Westport is the largest on the Northern West Coast. A history of gold mining, logging, fishing coal mining gives the town a hard-working feeling. And to reward the hard workers the town has an extraordinary amount of pubs.

There are plenty of activities here such as caving, bush walks, and surfing but one of the most popular is to take a trip to Tauranga bay and the seal colony. Just 15 kilometres south at Cape Foulwind (named by Captain Cook for the difficult sailing conditions and not the smell of the seals!), you will find a breeding colony of New Zealand fur seals. A well-marked and easy 10-minute walking track takes you to the colony where you can see the creatures lazing around or swimming in the ocean.

The spectacular West Coast coastline guides you to Paparoa National Park and to Punakaiki where a walk along the paths around the pancake rocks is a must. Please note there is no supermarket facilities in Punakaiki.

Your accommodation: Havenz Punakaiki (Self check in required)

Havenz Punakaiki offers a selection of traditional Kiwi hideaways: luxury homes, holiday apartments and baches. These holiday retreats are situated in tranquil native forest and offer easy access to beaches, the Paparoa National Park and the famous Punakaiki Pancake Rocks and Blowholes.

Day 7

Punakaiki to Franz Josef Glacier

The drive South on State Highway 6 takes you through many West Coast towns. The first is Greymouth, the commercial centre for the West Coast. Just south of the town is Shantytown a replica gold rush town with lots of great displays from yesteryear.

The next town is Hokitika and this is a great place to explore the craft and gift stores. The Jade or Greenstone on offer in Hokitika is probably some of the best you will see in the country. The Hokitika Gorge, off the beaten track and inland a little is a spectacular detour. Turquoise waters flowing through a narrow gorge. A great short walk will deliver you to this piece of paradise.

Ross is the site of an old gold mining town and some of the old buildings and workings remain. In fact Ross is still home to one of the few working gold mines left in New Zealand and the local information centre offers you the chance to pan for gold.

Continuing south Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman.

Whataroa, a small township on the main road is where you would head off to see one of the worlds rarest birds. The entire population (somewhere between 150 and 200 birds) of the New Zealand white heron or kotuku nest at the Waitangi Roto Nature Reserve and guided tours from October to March will take you there.

Arriving in to the Glacier region you catch your first glimpse of Franz Josef Glacier from a few kilometres out as it flows from the Southern Alps. Franz Josef township is a lively place with a great atmosphere, plenty of choice to dine out and some wonderful activities to enjoy.

Okarito Lagoon covers more than 3240 hectares of shallow open water and is well known for its outstanding bird life, including white heron and royal spoonbill. Exploring the open water and river channels that lead you deep into the heart of the rainforest is like stepping back in time to pre-European conditions and on a clear day you enjoy fantastic views of Mt.
