SUGGESTED ACTIVITY - Larnach Castle and Gardens

Larnach is New Zealand's only Castle, built in 1871 by politician and merchant, William Larnach, a man of great vision who helped shape New Zealand's early history. It was built for William's beloved first wife Eliza; it took 200 workmen three years to build the shell and a further twelve years were spent by master craftsmen to embellish the interior. The Castle is located high up on the Otago Peninsula and looks down on Dunedin city giving beautiful views. The gardens have an International Garden of Significance status and have a unique collection of antiques, including a unique nine piece Totara knot suite. The Ballroom cafe is a fantastic place to rest and reflect on all you have seen while enjoying a delicious range of refreshments. As with the entire castle, the ballroom had an interesting and varied history prior to its beautiful restoration, uses ranged from an asylum, antique sales room to the penning of sheep. In this self guided exploration of the castle and gardens, you are free to discover on your own.

Accessible from Wanaka by a 35-minute boat cruise, the landing is on the eastern side of the island where the remnants of the early settlement remain; a stone wharf and a hut. A well-formed track leads from the landing and climbs steadily through native bush to near the top of Tyrwhitt Peak. From the top, we have a sweeping 360-degree view of Lake Wanaka, its surrounding mountains and valleys, and below Arethusa Pool. The perfect spot to stop for tea or coffee. Going back down the track gives us more time to take in our surroundings, listening to and watching the lively bird-life, and just enjoying this unique wildlife reserve. You will feel well rewarded as you re-join the boat for the cruise back to Wanaka. Total cruise time is 1.5 hours. The trip runs subject to weather and lake conditions. Day 20

Napier City

Napier, the city by the sea, is renowned for its 1930s Art Deco architecture, events such as the Art Deco Weekend in February, stately Norfolk pines, surrounding wineries and local fresh produce. Supported by a Mediterranean climate and over 2,200 hours of sunshine a year this popular year-round destination boasts a vibrant cafe culture amongst the splendour of the Art Deco buildings.

Around 30 cafes are within walking distance of the central city area, while Ahuriri, just over Bluff Hill, is home to a further cluster of up market establishments. Marine Parade overlooks the Pacific Ocean and out towards Cape Kidnappers, home to the world's largest mainland gannet colony. A full day can be taken visiting Ocean Spa hot pools and swimming complex, the Hawke's Bay Museum and the National Aquarium of New Zealand.

A landmark of Napier is Bluff Hill, which is home to many Napier residents and provides views of the town, beaches of Perfume Point and Westshore and out towards Whirinaki. Bluff Hill also overlooks the Port of Napier, one of New Zealand's busiest ports, transporting timber, local fruit and meat products to worldwide destinations.

In 1931, New Zealand's greatest natural disaster struck Hawke's Bay. At 10.47am on Tuesday February 3rd, an earthquake of magnitude Richter 7.8 struck. In a minute and a half, in two separate shocks, the centre of Napier was almost totally destroyed. Fires quickly broke out and reduced to ashes or gutted what the tremors had left standing. Damage in Hastings was also devastating, although the fires were contained. Wairoa and the smaller towns to the south as far as Dannevirke were affected. There were 258 deaths - 162 in Napier, 93 in Hastings and 3 in Wairoa along with many injuries. The reconstruction of Napier and Hastings was costly but the benefit was two modern cities and the Ahuriri Lagoon, or Inner Harbour as it was usually known, was raised over 2 metres, creating the land, which Napier desperately needed to expand.

Explore Napier and the Hawke's Bay

With its Mediterranean climate and Art Deco style, Hawke's Bay is an attractive holiday prospect. As the nation's first winemaking region, a visit to one of its 30 wineries is a must. A trip to Mission Estate touted as the birthplace of NZ wine can't be missed. For the truly enthused head out on a tour of the vines. Those into Gatsby will enjoy the chance to view prominent Art Deco landmarks on a 1930s Vintage Car Tour. Passengers will spend just over an hour learning about the history of the city's architecture including the Napier Municipal Theatre, one of the top ten Art Deco Buildings in the world. If you're after some fresh air, hire a bike and take your pick of one of over 200km of cycling trails or head on down to one of the many beaches that ring the area. Ocean or Waimarama beach are good choices and both are patrolled by surf lifeguards during the summer. Indulge in some local produce and head out on a cheese, chocolate, honey or orchard tour.

Gannet Safaris

Drive along the scenic coast from Napier to Te Awanga and join Gannet Safaris Overland and the world's largest, most accessible gannet colony at Cape Kidnappers. Gannet Safaris has been guiding visitors over Cape Kidnappers for over 35 years and their safaris are the only way to be driven right to within a few feet of these remarkable birds. You will travel in comfort in air-conditioned 4 x 4 wheeled vehicles, through Cape Kidnappers Station - traversing riverbeds, broad rolling pastures, stands of native bush, steep gullies and breath-taking inclines. There is a stop on the way at a spectacular cliff top with panoramic views of Hawke Bay right across to Mahia peninsular. The 36km, three hour trip includes a commentary by your tour guide/driver on the farming operation on Cape Kidnappers Station and an introduction to the gannets. On arrival at the gannets you can stretch your legs and take in the scenery from your position at the brink of the cliff's edge, 100 metres above the ocean!

Day 23

Rotorua to Coromandel Township via Tairua

Pyes Pa Road is the scenic route towards the Bay of Plenty and the town of Tauranga before heading north along the coast towards the first of the Coromandel towns, Waihi. This old mining town still has an operating open-cast gold mine and you can view the workings of the Martha Mine from a vantage point signposted from the town centre. For rail enthusiasts, the Goldfields Railway operates passenger trains along a scenic and historic section of track towards Waikino. Next you will travel north to the popular locals' holiday destination of Whangamata with its golden beaches and surf, and onto Tairua. Here, The Mt Paku Summit offers spectacular views over the natural harbour and the Pacific Ocean. Further north you can take a side-trip to the famous Hot Water Beach and the holiday town of Hahei. North of Hahei Beach is the popular walk to Cathedral Cove, well worth the effort to view the massive, aptly named limestone formation on the golden sand beach.

Heading north along the east coast of the Coromandel Peninsula you will pass through the town of Whitianga which sits in Mercury Bay (Te Whanganui-o-Hei). Stop here to take the small foot ferry over to Ferry Landing and explore Cooks Beach and Flaxmill Bay. Continue further north along the peninsula to Kuaotuna Beach and then west via the coastline of Whangapoua Harbour. On the west coast of the peninsula you will reach the Coromandel Township, whose history is steeped with the gold rush of the late 1800's and the pioneers and settlers of the area. Today there are still known deposits of gold, silver, lead and zinc throughout the ranges but residents and conservationists are unlikely to allow any form of exploitation of the region. Remote towns, isolated bays and a rich history of pioneers and fortune hunters make this one of the more diverse regions to explore.

Driving Creek Railway & Potteries - EyeFull Tower Tour

Driving Creek Railway and Potteries has become a Coromandel icon. The dream of Barry Brickell was to establish a pottery workshop on his land. Using a railway he would have access to the clay on the land and the pine kiln fuel. Over the next 15 years the railway developed until in 1990 it was finally licensed to carry fare paying passengers and ever since thousands of visitors have made the trip to Coromandel to experience this unique attraction. The 1 hour return train trip on the innovatively designed trains takes you through replanted native kauri forest and includes 2 spirals, 3 short tunnels, 5 reversing points and several large viaducts as it climbs up to the mountain-top terminus. The pottery is still producing and you can watch the artists at work as well as purchase items.

Your accommodation: Coromandel Court Motel

The Motels are in an excellent location with just a 3-minute stroll to shops and restaurants. Well equipped to ensure a comfortable stay.

Day 24

Coromandel Township to Auckland

The west coast of the peninsular drops to the Firth of Thames with steep pohutukawa clad cliffs while the east coast has an abundance of golden sand beaches and inlets.

On the other side of the Firth of Thames is Miranda and this out of the way spot is a haven for shorebirds.

R.B. Simpson discovered in 1940 that Miranda was a feeding ground for large numbers of wading birds. Since then ornithological societies have censused the numbers and found that 5-6,000 lesser knots and 7-10, 000 bar tailed godwits travel here during the summer months before departing to the Siberian and Alaskan feeding grounds. In addition over 20, 000 South Island pied oystercatchers and 300 wrybills spend the summer months here after breeding the South Island. Many more birds can also be found here and the Miranda Shorebirds Centre has lectures and displays.

The shoreline of Miranda itself is also very unique and is considered the finest example in the world of an active sand and chenier plain. The Hunua ranges to the east mark the original shoreline about 4000 years ago and since then continuous tidal and wind action has deposited shell ridges to form the land or coastal plain you see today.

The drive to Auckland now takes you through the Hauraki Plains, a very fertile dairy farming region and then State Highway 1 delivers you to Auckland City.
