Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink.

Day 3

Christchurch to Akaroa

The Banks Peninsula offers a great contrast to the South Island's largest city. Just around a 1 1/2 hours drive from the city centre are rolling green hills, streams, golden sand beaches and small settlements that offer a unique insight into New Zealand's history and development. Just on the other side of the Port Hills is Lyttelton, a busy port town that was crucial to the development of Christchurch and the Canterbury Plains. Following the road around the beautiful natural harbour the names, such as Magazine Bay, Battery Point, Corsair Point and Governors Bay, remind of the importance the navy placed on this harbour.

The Banks Peninsula itself is actually the remains of a long extinct volcano, the rim of which collapsed some time ago allowing the sea to flood into and create what is now the Akaroa Harbour. In 1840 French colonists settled in Akaroa in a bid to stake a claim for the South Island.

Unbeknown the British had already declared sovereignty and a long drawn out dispute ensued with the British eventually being given government. However the French stayed and made this stunning part of the South Pacific their home and still to this day the town boasts French street names and every year a French Festival is held.

The Harbour itself is teeming with wildlife and a nature cruise is a must do activity. One of the world's smallest and rarest dolphins, Hector's dolphin, are often seen and cruises also offer excursions with the chance to swim amongst them.

SUGGESTED ACTIVITY - Akaroa Swimming with the Dolphins Cruise

Akaroa Harbour formed as a result of an extinct volcanic crater being flooded by the Pacific Ocean. It's a beautiful place with sheer cliffs and the picturesque township of Akaroa at its heart. New Zealand's only native dolphin, Hector's dolphin, makes this sheltered harbour its home and its here you can take a 2 hour tour to see and if you wish actually swim with these incredible creatures. Following a 1 hour briefing you depart on a 2 hour cruise of which around 1 hour is spent in the water with the dolphins. Black Cat Cruises has been operating since 1985 and their success rate at sighting dolphins is over 98%. Swimming with dolphins is not always possible either due to sea conditions, the dolphins' willingness to stay and play and other environmental reasons such as not swimming when there are babies around. You still manage to swim though on over 80% of their tours.

Your accommodation: Criterion Motel

The Criterion Motel offers studio apartments with spectacular views over Akaroa Harbour. You're also just a short walk from the fantastic cafes and restaurants that Akaroa offers.

Day 4

You'll take a short bus trip over to the reserve and be led on foot approx 2km by your guide through a system of covered trenches to view hides that allow access to the living and breeding habitat of this very shy bird without disturbing them. There is also an opportunity to meet other animals that reside in the reserve including fur seals, sea lions, and several species of shore and land birds.

SUGGESTED ACTIVITY - Larnach Castle and Gardens

Larnach is New Zealand's only Castle, built in 1871 by politician and merchant, William Larnach, a man of great vision who helped shape New Zealand's early history. It was built for William's beloved first wife Eliza; it took 200 workmen three years to build the shell and a further twelve years were spent by master craftsmen to embellish the interior. The Castle is located high up on the Otago Peninsula and looks down on Dunedin city giving beautiful views. The gardens have an International Garden of Significance status and have a unique collection of antiques, including a unique nine piece Totara knot suite. The Ballroom cafe is a fantastic place to rest and reflect on all you have seen while enjoying a delicious range of refreshments. Your accommodation: Punga Grove Motel & Suites

Punga Grove is right in the heart of Franz Josef Glacier village and offers affordable and stylish accommodation in a beautiful rainforest setting.

Day 13

Franz Josef to Arthur's Pass National Park

Driving north on State Highway 6 you pass through many small West Coast towns. Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman. Ross is the site of an old gold mining town and some of the old buildings remain. You can even pan for gold. The craft and gift stores in Hokitika are excellent with a great range of locally made items and if you want to explore further here then the Hokitika Gorge is worthy of a detour.

State Highway 73 is the main road between the West Coast and Christchurch and the scenery is spectacular, even in the rain and there is a pretty good chance of rain in the high alpine mountains. With hundreds of waterfalls cascading down the bush-clad hillsides, it's not a road to be rushed. Originally the road was a pass used by Maori as they made their seasonal passage to look for the greenstone abundant in the West Coast mountains. When the gold rush hit the West Coast in the late 1800's then a road was quickly developed and not soon after the train. Today the main use for the track is transporting coal to Lyttelton Harbour but once a day the now world famous TransAlpine Scenic Train takes a few hundred tourists and visitors between the two oceans.

The Otira Gorge on the Western side of Arthur's Pass features a remarkable piece of engineering with the road passing high on a viaduct through this large valley. This is a recent addition to the route as the old road was washed away in a rock fall a few years ago. There are numerous lookout points giving great views of the valley and its engineering feat but watch out for the local residents, the kea. this bird is the world's only alpine parrot and can be extremely cheeky.

Arthur's Pass Township is a bustling place in the peak season with many walkers and adventurers using it as a base for the forays into the mountains of Arthur's pass National Park. The Department of Conservation centre here has an excellent display of the local history and is a great source of information for the many short walks in the area.

Walking tracks in Arthurs Pass National Park

Within Arthur's Pass there are many short walks to suit all ages and abilities. Located in the Arthur's Pass Village is a Department of Conservation information centre where you can get updates on track conditions and track suitability as well as learn about the natural history of the area and its people.

Listed below is a selection of short walks.

1. Millennium Walk - Time: 10 minutes return
2. Devils Punchbowl Waterfall Walk - Time: One hour return
3. Arthur's Pass Walking Track - Time: One hour 20 minutes (one way)

You'll then travel on State Highway 1 through the Waipara Valley. If you have plenty of time be sure to stop at Hanmer Springs for a soak in the hot mineral pools.

Day 15

The Kaikoura Coast is renowned for its abundant marine life, and this is huge visitor drawcard. Due to the teeming food supply in its icy seas, whales, seals and dolphins are frequently spotted year round in the area. Observe the fur seal colony basking in the sun at the tip of the peninsula and be sure to take a trip by boat to view the whales.

If you prefer, hop aboard a 30 minute scenic flight and see the coast by air. But if you're feeling really adventurous take a dip with the resident seal population on either a land or boat based trip. Kaikoura township has a charming feel and after a day of marine adventures is the perfect place to grab a bite to eat. Not to be missed is a meal of fresh crayfish - the town's signature dish. Before you leave, visit historic Fyffe House for insight into the region's Whaling Past.

Ocean's Cabin with Whale Watch Kaikoura

Experience New Zealand's only marine based whale watching company. Whale Watch Kaikoura offer a once-in-a-lifetime, up close encounter with the giant Sperm Whale. You are also likely to encounter New Zealand fur seals, dusky dolphins and albatross. Depending on the season you may also see pilot, blue and southern right whales as well as migrating humpbacks. Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally make an appearance.

One of the best seal watching locations is Ohau Point (25km north of Kaikoura), where you can observe the adults on the shoreline and the pups frolicking in the waterfall, just a short walk from the road (signposted). As you drive you will have turquoise waters of the South Pacific Ocean to your east and to the west the towering Kaikoura Ranges. Crossing the dry hills of the Marlborough ranges you head towards Marlborough, New Zealand's largest wine producing region. Blenheim sits right at the heart of Marlborough and is ideally located to enjoy an afternoon sampling the local produce. A great way to do this is to take a guided wine tour with Sounds Connection Wine Tours.

SUGGESTED ACTIVITY - Half Day Wine Tour

An afternoon among the vines! Be immersed in the Marlborough wine country with the Sounds Connection half day wine tour. You'll be collected from your accommodation and taken through three or four hand-picked wineries to taste the award-winning produce this region is known for. You'll also hear about the history of winemaking in Marlborough as well as learning the unique processes each winery goes through. A lunch stop is not included in this tour so we do advise you have something to eat prior to this activity.

Your accommodation: Bella Vista Blenheim

In a quiet location and close to town, Bella Vista Motel is in the heart of Blenheim. Surrounded by the world-famous Marlborough wine growing area and just a few minutes walk from a wide variety of restaurants and bars.

Day 17

Blenheim to Abel Tasman National Park via Queen Charlotte Drive

Take a short drive to the small port of Picton where the Interislander ferry connects with Wellington. A bustling seaside destination, Picton is well equipped with shops, cafes and is also the starting point for the famous Queen Charlotte Walk. You'll travel along Queen Charlotte Drive, traversing the length of the Marlborough Sounds coastline. Magnificent views are abundant so be sure to make time to stop and enjoy the scenery as you go.

Continue through the small port town of Havelock, home to a variety of cafes and restaurants. The highway between Nelson and Picton crosses the pelorus river, and at this junction you'll find the famous pelorus bridge. Traverse Tasman Bay passing through Motueka to arrive on the outskirts of Abel Tasman National Park.
