Day 3

The Milford Track 5 Day/4 Night Guided Walk with Ultimate Hikes

Traversing the heart of New Zealand's wild fjord country, the Milford Track has long been described as "the finest walk in the world". Since Quintin Mackinnon pioneered the route in 1888, everyone from hardened trekkers to novices sporting their first pair of boots has taken up the challenge of the Milford Track.

The Fiordland National Park is the cornerstone of the Te Wahipounamu Southwest New Zealand World Heritage Area. Enjoy close encounters with the native birdlife: the Robin, Kea, Weka, Fantail, Parakeet, Bellbird, and even Kiwi have been spotted! Walkers on the track to Milford Sound encounter Fiordland at its most spectacular: deep lakes, silent fjords, luxuriant forest, and sheer canyons carved out of imposing granite define this landscape. On a fine day, there is a postcard shot around every corner, but only when it rains and torrents of water cascade down the mountainsides have you truly experienced the magic of the Milford Track.

The Milford Track Guided Walk is a 5-day, 4-night all-inclusive guided walk from Queenstown to Queenstown through the heart of Fiordland National Park to Milford Sound. The package includes all transport, accommodation, meals, snacks, backpacks, and rain jackets. Accommodation is in lodges and you will be led by expert Ultimate Hikes guides. It is important you read and understand the risks associated with this activity. For more information please see [here](#).

Queenstown to Glade House

The coach departs from the Ultimate Hikes Centre in Queenstown. Please arrive by 9.15am to meet your guides and board the coach for the two hour drive to Te Anau. We will have lunch in Te Anau before travelling on to Te Anau Downs, where a boat will take you up to the start of the track at the northern end of Lake Te Anau. It's a short walk to the historic Glade House, where you will be greeted with afternoon tea and shown to your room. Your guides will take you on a nature walk in the afternoon to give you an idea of the terrain and the environment you will be walking. In the evening, you'll have time to get to know your group over dinner.

Your accommodation: Glade House

Located at the head of Lake Te Anau and the mouth of the Clinton River, Glade House serves as the historic starting point for the legendary Milford Track. Originally built in 1895 as a holiday house for tourists, the site has been rebuilt several times following fires in 1928 and 1929.

Meals included: Breakfast, Lunch, Dinner

Day 4

Glade House to Pompolona

Your first full day of walking begins by crossing the Clinton River bridge. The smooth track follows the river up the valley to the Hirere Falls lunch shelter. Take a side walk to the wetlands, a complex eco-system unique to this section of track. After lunch look out for your first glimpse of Omanui/McKinnon Pass in the distance. You'll stay in the beech forest, until you come out onto the Prairie & detour down to soak your feet in Prairie Lake. From this meadow you can capture the true nature of the ice-carved Clinton Canyon. From here, it's a short climb to Pompolona Lodge. Today's walk is 16 km (10 miles) and takes 5-7 hours.

Your accommodation: Pompolona Lodge

Nestled in the picturesque Clinton Valley, Pompolona Lodge is a private sanctuary used by guided walkers on the second night of the Milford Track. The lodge is famously named after the traditional "Pompolona" scones once served by explorer Quintin MacKinnon, who reportedly learned the recipe in Pamplona, Spain.

Meals included: Breakfast, Lunch, Dinner

Day 5

Pompolona Lodge to Quintin Lodge

From Pompolona Lodge the track leads up to Lake Mintaro at the head of the Clinton Valley, before climbing the Omanui/McKinnon Pass in a series of zig-zags. Take your time and enjoy the views. At the top you can rest at McKinnon memorial before passing the highest point and stopping for lunch in Pass Hut overlooking the Clinton Valley. The descent into the Arthur Valley is steep and uneven so take care and use poles. Viewing platforms give you a great view of the Cascades waterfalls. Quintin Lodge is a welcome sight at the bottom of the Pass. Take a short break to revive with a drink and a snack then we highly recommend doing the optional 90-minute round trip to Sutherland Falls, at 580m/1904ft it is one of the highest in the world and well worth seeing. Today's hike is 15 km (9 miles) and takes 6-8 hours.

Your accommodation: Quintin Lodge

The lodge is situated at the foot of the Mackinnon Pass on the Roaring Burn River. It is historically significant, named after Quintin McKinnon, the explorer who discovered the overland route to Milford Sound in 1888.

Meals included: Breakfast, Lunch, Dinner

Day 6

Quintin to Mitre Peak Lodge via Sandfly Point

Your final day on the track is the longest section at 21km. You'll walk down the Arthur Valley to the historic Boatshed. After a short break and a hot drink, the track continues on past MacKay Falls through lush beech forest to the lunch spot at Giants Gate waterfall. The final stretch of the track follows tranquil Lake Ada to Sandfly Point. From Sandfly Point it is a short boat trip across the renowned Milford Sound; the fjord often referred to as the eighth wonder of the world. Mitre Peak, the famously photographed pinnacle rises almost sheer from the Sound to a height of 1692m (5551ft). At Mitre Peak Lodge, relax in the bar enjoying the view, before sitting down to a celebratory dinner. Today enjoy 21km (13 miles) 6-8 hours of walking.

This morning after breakfast we'll take you on a cruise on Milford Sound. Watch for dolphins and fur seals and, if the waterfalls are in full flow, you'll have seen Fiordland at its very best! Following the cruise it's time to head back to Queenstown. The coach trip follows the scenic Milford Road through Homer Tunnel and on to Te Anau, where there will be a short break before the last leg of the journey to Queenstown. Lunch will be eaten along the way.

Your accommodation: Millennium Hotel Queenstown

Right in the heart of the action, the Millennium Hotel is just minutes from Queenstown's central shopping and entertainment district. SUGGESTED ACTIVITY - Gondola and 3 Luge Rides with Skyline Queenstown

In the heart of Queenstown, located 450 metres above town in the Ben Lomond Scenic Reserve is the Skyline Complex. A gondola ride to the summit makes for awe-inspiring views of the city surround. Arrive at the complex and wander the outside viewing decks for a picture perfect outlook. Then onto the Luge! The 800 metre luge track offers an exhilarating journey through banked corners, tunnels and dippers.

Queenstown to Dunedin

Your route today is a historic one with many small towns along the way. Go through the Kawarau Gorge and stop at one of its renowned wineries. The gorge is also home to the world's first commercial bungy jumping operation and a viewing platform lets you watch others as you build the courage to try it yourself - or not! A little further you'll come to Cromwell, sitting beside the man-made Lake Dunstan - created when the valley was flooded in 1992 as part of the hydro electric scheme. As a result, much of the original town is now submerged, but several historic buildings were relocated to 'Old Cromwell Town'. Continue on through the Otago Goldfields. Pass the townships of Alexandra, Lawrence and Roxburgh - once with booming populations three times their current at the height of the 1800's gold-rush. Many of the old settlements remain and are worth a look if you can spare the time. Alexandra in more recent times has become the 'stone fruit capital' of New Zealand - named for its ideal fruit growing climate. As you drive further south the landscape changes to rolling hills and windswept farmland - melding fluidly with the rugged coast of Dunedin, your destination for the night.

Dunedin

Dunedin, known in Māori as Ōtepoti, is referred to as the "Edinburgh of the Southern Hemisphere". The city has a rightly deserved reputation as one of the best-preserved Victorian and Edwardian cities in the Southern Hemisphere. Of particular note is Dunedin Railway Station, built 1904 - 1906, and St Paul's Cathedral in the Octagon. The Otago Museum is renowned for its Māori and Pacific Island collections and natural history displays. A visit to the Speights, New Zealand's oldest brewery, is also considered a must while in Dunedin. The Botanic Gardens is a great spot and at the right time of year, you can witness the Rhododendron Dell in bloom. The Otago Peninsula is the only home in the world to the Northern Royal Albatross. The Peninsula can be visited for the day from Dunedin and the stunning harbor landscape and wildlife are worth exploring. High among the rolling hills of the Peninsula is Larnach Castle, the grand home of an early politician. Construction of the castle began in 1871 and was completed 12 years later. From here, views out to sea and back towards the city emphasize the singular beauty of Dunedin and its jewel-like harbor.

Your accommodation: Fable Dunedin

Located in the centre of Dunedin, Fable Hotel is within walking distance of shopping, cafes and restaurants and the central focus of the Octagon. Beautifully appointed accommodation and a chic restaurant and bar are augmented by contemporary touches throughout.

Day 9

Explore Otago Peninsula

The Otago Peninsula extends from the southern side of Otago Harbour, just minutes from the city center. A short drive takes you past scenic bays and picturesque farmland. Renowned as one of New Zealand's premier eco-tourism destinations, the peninsula is home to the iconic Royal Albatross, with Taiaroa Head at its tip hosting the world's only mainland breeding colony of these majestic birds. In addition to the albatross, the area is rich in wildlife, including New Zealand fur seals, sea lions, and rare yellow-eyed penguins. You can explore a variety of walking tracks, enjoy breathtaking views, and stunning beaches, and visit the magnificent Larnach Castle, a cultural highlight of the region.

SUGGESTED ACTIVITY - Larnach Castle and Gardens

Larnach Castle, New Zealand's only castle, was built in 1871 by politician and merchant William Larnach, a visionary who played a key role in shaping the country's early history. Constructed for his beloved first wife, Eliza, the castle's shell took 200 workmen three years to complete, followed by twelve years of intricate interior craftsmanship. Perched high on the Otago Peninsula, the castle offers stunning views over Dunedin City. Its gardens hold International Garden of Significance status and feature a unique collection of antiques, including a rare nine-piece Totara knot suite. The Ballroom Café provides the perfect spot to relax and enjoy refreshments while reflecting on your visit. The ballroom itself has a fascinating history, having once served as an asylum, an antique sales room, and even a sheep pen before its beautiful restoration. With a self-guided tour, you can explore the castle and gardens at your own pace.

Penguin Tour with The Opera

Learn about the endangered Yellow Eyed Penguin when you visit The Opera - Otago Peninsula Eco Restoration Alliance, a private conservation reserve dedicated to ensuring the survival of this unique species. The project is entirely funded by guided tours which allow the conservation team to engage in habitat restoration, predator control, a research program, and an on-site rehabilitation facility.

On your tour, you will learn about the issues the Yellow Eyed Penguin faces, their life cycle, and how the project is carried out. Your experience will begin in a theatre before moving to the rehabilitation center where penguins may be seen up close. You'll take a short bus trip over to the reserve and be led on foot approx 2km by your guide through a system of covered trenches to view hides that allow access to the living and breeding habitat of this very shy bird without disturbing them. There is also an opportunity to meet other animals that reside in the reserve including fur seals, sea lions, and several species of shore and land birds.

Royal Albatross Centre - Unique Albatross and Fort Taiaroa Tour

The Royal Albatross colony at Taiaroa Head on the Otago Peninsula is the only mainland breeding colony of Royal Albatross in the world. The Unique Taiaroa experience offers a comprehensive 90 minutes guided tour of both the Albatross colony and Fort Taiaroa. Enjoy spectacular Albatross viewing from the Richdale Observatory including the introductory "Attenborough" video and albatross breeding cycle information. The Fort Taiaroa guided tour takes you back into New Zealand's colonial past. It covers the Maori and European occupation of the headland with a visit to 'Fort Taiaroa,' underground fortifications beneath the Albatross Colony. Walk through the underground tunnels to the 1886 Armstrong Disappearing Gun that is still in working order. This was established to counter the anticipated threat of invasion from Tsarist Russia.
