## Day 1

### Welcome to Ōtautahi / Christchurch

Kia ora and welcome to Aotearoa, New Zealand. After checking into your accommodation, the rest of the day is yours to explore at your leisure. Christchurch, known in Māori as Ōtautahi, is the largest city on the South Island. Often referred to as the Garden City it boasts one of the largest public parks in the country and the city centre is full of very impressive stone buildings reminiscent of the English university towns. The inner city has almost been completely rebuilt following earthquakes in 2010 and 2011. Explore the city and see how the old mixes with New Zealand's "newest" city.

---

### Collect Rental Car

This tour's from price includes an intermediate-sized vehicle, setting you up for comfortable travels. Yet, we understand every adventure is unique! Feel free to select the perfect wheels from our incredible collection of rental cars, spanning from economy hatchbacks to premium SUVs.

---

### Christchurch Botanic Gardens - suggested activity

Located just 15 minutes from the city center, Christchurch's 75-acre Botanic Gardens boast the finest collection of exotic and indigenous plants in New Zealand. This impressive collection creates a tranquil oasis, with spring daffodils, stunning summer roses and herbaceous borders, vibrant autumn foliage, and cozy conservatories to warm up in during winter. There's something to enjoy in every season. The New Zealand Garden also offers a unique glimpse into the country's wilderness, providing a peaceful escape throughout the year.

---

### SUGGESTED ACTIVITY - Christchurch Gondola

In the Heathcote Valley, just a 20-minute drive from the heart of Christchurch City, ride the Christchurch Gondola for nearly a kilometer to the collapsed rim of an extinct volcano, which exploded six million years ago. Take in the spectacular panoramic views of the central city, Lyttelton Harbour, Banks Peninsula, Canterbury Plains, and the distant peaks of the Southern Alps. Wander the summit complex, enjoy a coffee or lunch in the cafe, and choose one of many nature walks to explore or visit the Christchurch Discovery Rice, a dramatic reconstruction of the history of the Port Hills and Christchurch.

---

### SUGGESTED ACTIVITY - Christchurch Trams

Trams played an important role in transporting the people of Christchurch until 1954 when they were phased out. In 1995 the city council and Tramway Historical Society brought the beautiful trams back to the city centre for the public to enjoy. Take the delightful journey throughout the central city, including sights such as Riverside Market, the Avon River, the Arts Precinct including the Christchurch Art Gallery and Arts Centre, the Botanic Gardens, and New Regent Street with its Spanish-style buildings and sunny cafes. A commentary is given by the tram driver and you can hop on and off at the various stops as you please throughout the day. It's a great way to see and explore the main city centre attractions.

---

### Your accommodation: Quest on Cambridge

Quest on Cambridge serviced apartment-style hotel rooms offer guests a relaxed and comfortable Christchurch accommodation experience. Each room has an open-plan living area, a fully equipped kitchen, and natural light. Quest on Cambridge is a short walk from the south shopping centre and to the Botanic Gardens.

## Day 2

## Akaroa and The Banks Peninsula

Akaroa and the Banks Peninsula offer a striking contrast to Christchurch, with rolling green hills, golden beaches, historic settlements, wineries, cafés, and abundant wildlife just 1.5 hours from the city. Over the Port Hills lies Lyttelton, a historic port town whose harbour names reflect its naval past. The peninsula itself is the remains of an ancient volcano that now forms Akaroa Harbour, where French settlers arrived in 1840, an influence still seen in the town's French street names and annual festival. The Harbour itself is teeming with wildlife and a nature cruise is a must do activity. One of the world's smallest and rarest dolphins, Hector's dolphin, are often seen and cruises also offer excursions with the chance to swim amongst them.

---

### Akaroa Harbour Nature Cruise with Black Cat

Experience majestic scenery and stunning wildlife daily on a Black Cat Akaroa Harbour Nature Cruise. You'll see the rare, native dolphin – the Hector's or New Zealand Dolphin. There's also the chance to spot the world's smallest penguin, the White Flipped Little Blue Penguin, Fur Seals and other sea birds. Other cruise highlights are some majestic volcanic cliffs (including the impressive Cathedral Cave) and signs of Akaroa's fascinating past including early Maori, French and British settlements.

---

### SUGGESTED ACTIVITY - Swimming with Dolphins Cruise with Black Cat

Akaroa Harbour formed as a result of an extinct volcanic crater being flooded by the Pacific Ocean. It's a beautiful place with sheer cliffs and the picturesque township of Akaroa at its heart. New Zealand's only native dolphin, Hector's dolphin, makes this sheltered harbor its home, and it's here you can see them and if you wish actually swim with these incredible creatures. Following a 12-hour briefing, you depart on your cruise of which around 1 hour is spent in the water with the dolphins. Black Cat Cruises has been operating since 1985 and their success rate at sighting dolphins is over 98%. Swimming with dolphins is not always possible either due to sea conditions, the dolphins' willingness to stay and play, and other environmental reasons such as not swimming when there are babies around. They still manage to swim though on over 80% of their tours. All equipment is provided and all you need to bring along is your swimming costume and a towel.

---

### Your accommodation: Quest on Cambridge

Quest on Cambridge serviced apartment-style hotel rooms offer guests a relaxed and comfortable Christchurch accommodation experience. Each room has an open-plan living area, a fully equipped kitchen, and natural light. Quest on Cambridge is a short walk from the south shopping centre and to the Botanic Gardens.

Take in panoramic views of rolling farmland, lush valleys, and snowcapped mountains before embarking on an exhilarating 5-zipline course, including twin lines for side-by-side rides.
