The next town is Hokitika and this is a great place to explore the craft and gift stores. The Jade or Greenstone on offer in Hokitika is probably some of the best you will see in the country. A great short walk will deliver you to this piece of paradise.

Ross is the site of an old gold mining town and some of the old buildings and workings remain. In fact Ross is still home to one of the few working gold mines left in New Zealand and the local information centre offers you the chance to pan for gold.

Continuing south Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman.

Whataroa, a small township on the main road is where you would head off to see one of the worlds rarest birds. The entire population (somewhere between 150 and 200 birds) of the New Zealand white heron or kotuku nest at the Waitangi Roto Nature Reserve and guided tours from October to March will take you there.

The township is surrounded by lush, rainforest-clad mountains and has a vibrant atmosphere with plenty to explore. Okarito Lagoon covers more than 3240 hectares of shallow open water and is well known for its outstanding bird life, including white heron and royal spoonbill. Cook and the Southern Alps. Your guide will take you to their favorite spots where you'll discover the flora, fauna, and history of the lagoon.

Your accommodation: Westwood Lodge

Westwood is a purpose built lodge, crafted entirely from wood and exquisitely decorated throughout. The lounge is the place to meet to watch the Southern Alps turn a soft pink in the setting sun.

Day 11

Franz Josef to Arthur's Pass National Park

Driving north on State Highway 6 you pass through many small West Coast towns. Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman. Ross is the site of an old gold mining town and some of the old buildings remain. You can even pan for gold. The craft and gift stores in Hokitika are excellent with a great range of locally made items and if you want to explore further here then the Hokitika Gorge is worthy of a 50 minute detour.

State Highway 73 is the main road between the West Coast and Christchurch and the scenery is spectacular, even in the rain and there is a pretty good chance of rain in the high alpine mountains. With hundreds of waterfalls cascading down the bush-clad hillsides, it's not a road to be rushed. Originally the road was a pass used by Maori as they made their seasonal passage to look for the greenstone abundant in the West Coast mountains. When the gold rush hit the West Coast in the late 1800's then a road was quickly developed and not soon after the train. Today the main use for the track is transporting coal to Lyttelton Harbour but once a day the now world famous TransAlpine Scenic Train takes a few hundred tourists and visitors between the two oceans.

The Otira Gorge on the Western side of Arthur's Pass features a remarkable piece of engineering with the road passing high on a viaduct through this large valley. This is a recent addition to the route as the old road was washed away in a rock fall a few years ago. There are numerous lookout points giving great views of the valley and its engineering feat but watch out for the local residents, the kea. This bird is the world's only alpine parrot and can be extremely cheeky.

Arthur's Pass Township is a bustling place in the peak season with many walkers and adventurers using it as a base for the forays into the mountains of Arthur's Pass National Park. The Department of Conservation centre here has an excellent display of the local history and is a great source of information for the many short walks in the area.

Your accommodation: Wilderness Lodge, Arthurs Pass

Wilderness Lodge sits on its own 3,000-hectare nature reserve and merino sheep farm and is surrounded by the mountains of Arthur's Pass National Park. Join nature guides to walk, canoe and discover kea parrots, giant buttercups, pygmy forests, alpine flower gardens and waterfalls.

Meals included: Breakfast, Dinner

Day 12

Explore Wilderness Lodge, Arthur's Pass

Nestled in mountain beech forest, midway between Christchurch and the West Coast, Wilderness Lodge Arthur's Pass offers stylish accommodation, great food, and warm hospitality in a spectacular mountain setting.

Set on a 4000 acre working sheep farm and nature reserve in the heart of the Southern Alps, a daily program of guided activities will be the highlight of your visit. Join naturalist and farmer guides to hike alpine trails, kayak wildlife refuge lakes, and experience life on a working farm.

Meals included: Breakfast, Dinner

Day 13

Arthur's Pass to Christchurch

Descending into the valleys of the Waimakariri this drive offers some spectacular views of the braided river valleys. Castle Hill Scenic Reserve sits in limestone country and the area is dotted with remarkable rock outcrops. A popular place with climbers it was also an important place for Maori in past years as they provided shelter on their seasonal journeys between the coasts. There is a network of walking paths allowing you to explore.

Descending onto the Canterbury Plains the rich farmland that attracted and helped settlers prosper becomes apparent as you head into the city of Christchurch.

Return Your Vehicle to Christchurch Airport

It's time to return your rental car and let the South Island journey come to an end. If time allows spend the day exploring more of Christchurch, we'd suggest a leisurely drive up the Port Hills for some great sites and then over to the harbour of Lyttleton, before circling through the tunnel and back to the airport to continue your journey home.

Farewell from Aotearoa-New Zealand

Bid farewell to New Zealand, taking with you unforgettable memories of its breathtaking landscapes and incredible adventures. In Maori, it is said mā te wā, which is not goodbye, it is see you soon!
