You then turn east and travel along the Lewis Pass, the least travelled of the 3 main routes over the Southern Alps. A scenic journey passing through forests and the famous Maruia Hot Springs. Springs Junction is the starting point of the pass and just after is Lake Daniells Track. Maruia Springs has been attracting travellers for years and the natural hot springs are now located within an authentic Japanese themed resort. Outdoor hot pools are a great way to relax. The alpine village of Hanmer Springs has been a favourite holiday destination for New Zealanders for many years. Hanmer Springs Thermal Pools & Spa is a major attraction, but the alpine environment with its rivers and mountains make it appealing year round. Gentle pursuits include forest walks, thermal pools, massage therapy, health treatments and golf as well as pure relaxation in the alpine atmosphere. For more excitement try jet boating on the Waiau River, horse trekking, mountain biking, or bungy from the historic bridge. Hanmer Springs is also surrounded by forests offering over 50km of walking and mountain bike tracks. Day 6

Hanmer Springs to Kaikoura

On the drive from Hanmer Springs to Kaikoura you will be introduced you to the South Island's most numerous inhabitant, the sheep. As you head towards the east coast you will travel through North Canterbury's major wine region, the Waipara Valley.

Kaikoura Township is a bustling little place with many cafes, restaurants and shops but the main reason for visiting here is the wildlife. Whale Watch Kaikoura is New Zealand's only marine-based whale watching company offering visitors an exciting up-close encounter with the Giant Sperm Whale at all times of the year. Kaikoura is New Zealand's world famous whale watching destination. Sperm Whales can be seen here year-round while depending on the season you may also see migrating Humpback Whales, Pilot Whales, Blue Whales and Southern Right Whales.

Another great Kaikoura activity is Swimming with the Seals. Donning a wet suit you have the opportunity to interact with these inquisitive creatures on their terms. Wings over Whales also offer tours from fixed wing aircraft to view the whales and other marine creatures from 500 feet in the air.

Your accommodation: The White Morph, Kaikoura

Day 7

Kaikoura

The Kaikoura Coast is renowned for its abundant marine life, and this is huge visitor drawcard. Due to the teeming food supply in its icy seas, whales, seals and dolphins are frequently spotted year round in the area. Observe the fur seal colony basking in the sun at the tip of the peninsula and be sure to take a trip by boat to view the whales.

If you prefer, hop aboard a 30 minute scenic flight and see the coast by air. But if you're feeling really adventurous take a dip with the resident seal population on either a land or boat based trip. Kaikoura township has a charming feel and after a day of marine adventures is the perfect place to grab a bite to eat. Not to be missed is a meal of fresh crayfish - the town's signature dish. Before you leave, visit historic Fyffe House for insight into the region's Whaling Past.

Ocean's Cabin with Whale Watch Kaikoura

Experience New Zealand's only marine based whale watching company. Whale Watch Kaikoura offer a once-in-a-lifetime, up close encounter with the giant Sperm Whale. You are also likely to encounter New Zealand fur seals, dusky dolphins and albatross. Depending on the season you may also see pilot, blue and southern right whales as well as migrating humpbacks. Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally make an appearance.

Cruise in style on modern catamarans, specifically designed for whale watching, featuring large passenger cabins and outside viewing decks. Passenger numbers for each tour are kept below the vessel carrying capacity to ensure your tour experience remains a personal one.

Day 8

Kaikoura to Blenheim

Heading north from Kaikoura, the road hugs the shore for approximately 50 kilometres and offers many opportunities to view the native wildlife such as seabirds and New Zealand fur seals. One of the best seal watching locations is Ohau Point (25km north of Kaikoura), where you can observe the adults on the shoreline and the pups frolicking in the waterfall, just a short walk from the road (signposted). As you drive you will have turquoise waters of the South Pacific Ocean to your east and to the west the towering Kaikoura Ranges. Crossing the dry hills of the Marlborough ranges you head towards Marlborough, New Zealand's largest wine producing region. Blenheim sits right at the heart of Marlborough and is ideally located to enjoy an afternoon sampling the local produce. A great way to do this is to take a guided wine tour with Sounds Connection Wine Tours.

SUGGESTED ACTIVITY - Half Day Wine Tour

An afternoon among the vines! Be immersed in the Marlborough wine country with the Sounds Connection half day wine tour. You'll be collected from your accommodation and taken through three or four hand-picked wineries to taste the award-winning produce this region is known for. You'll also hear about the history of winemaking in Marlborough as well as learning the unique processes each winery goes through. A lunch stop is not included in this tour so we do advise you have something to eat prior to this activity.

Your accommodation: Bella Vista Blenheim

In a quiet location and close to town, Bella Vista Motel is in the heart of Blenheim. Surrounded by the world-famous Marlborough wine growing area and just a few minutes walk from a wide variety of restaurants and bars.

Day 9

Blenheim to Abel Tasman National Park via Queen Charlotte Drive

Take a short drive to the small port of Picton where the Interislander ferry connects with Wellington. A bustling seaside destination, Picton is well equipped with shops, cafes and is also the starting point for the famous Queen Charlotte Walk. You'll travel along Queen Charlotte Drive, traversing the length of the Marlborough Sounds coastline. Magnificent views are abundant so be sure to make time to stop and enjoy the scenery as you go.

Continue through the small port town of Havelock, home to a variety of cafes and restaurants. The highway between Nelson and Picton crosses the pelorus river, and at this junction you'll find the famous pelorus bridge. From here there are a number of forest walks, the most popular a 30 minute loop through beech, rimu, and totara forest. Traverse Tasman Bay passing through Motueka to arrive on the outskirts of Abel Tasman National Park.

Your accommodation: Ocean View Chalets

The Ocean View Chalets are situated on a 50-acre farmlet, slightly elevated and nestled along the bush line with panoramic sea views. Great access the National Park and close to the friendly Marahau village.

Day 10

Beaches, Bays and Seals Guided Sea Kayaking Trip Including Picnic Lunch

Combining the best of the Abel Tasman, this trip showcases incredible beaches, coastal walks and native wildlife. First you'll meet your guide and join the 9.30 am Vista Cruise along the magnificent coastline to Torrent Bay. You'll then arrive at Torrent Bay Lodge and complete a full training session and safety briefing before moving on to the water in kayaks to discover beautiful beaches, tidal estuaries and rivers.

Stop for a picnic lunch in a sheltered cove and take some time to swim, explore or sunbathe on the sand. On your return trip, if the winds are favourable, sails will be hoisted and you'll sail back via Pinnacle Island to view the seal colony there - if you're lucky, you may even see some resident blue penguins at the same time. Arriving back at Torrent Bay Lodge, freshen up with a hot shower and re-join the vista cruise back to Kaiteriteri, arriving at 4.10 pm.

During the summer there is the option to enjoy an unguided two hour coastal bush walk after the kayaking trip. Walk around the picturesque Torrent Bay Lagoon via Cleopatra's Pool to the anchorage where you will re-join the boat back to Kaiteriteri.

Your accommodation: Ocean View Chalets

Meals included: Lunch

Day 11

Marahau to Punakaiki

The drive today takes you along the Buller Gorge and offers some wonderful scenery as you follow this magnificent river. The town of Murchison is a quiet place and a great lunch stop. Underneath its sleepy farming facade is an adventurers' paradise with white water rafting, kayaking, 4WD trips, and some great trout fishing.

The first major town (by this region's standard) is Inangahua and a small museum tells of the earthquake that hit the region in 1968 leaving 70% of the buildings damaged or inhabitable. Further along the river one of the must-stop places is Whites Creek and New Zealand's longest swing bridge. Crossing the river you get magnificent views of the gorge and once on the other side, there are short bush walks, jet boat rides, and some of the historic gold mining remnants.

The port town of Westport is the largest on the Northern West Coast. A history of gold mining, logging, fishing coal mining gives the town a hard-working feeling. And to reward the hard workers the town has an extraordinary amount of pubs.

There are plenty of activities here such as caving, bush walks, and surfing but one of the most popular is to take a trip to Tauranga bay and the seal colony. Just 15 kilometres south at Cape Foulwind (named by Captain Cook for the difficult sailing conditions and not the smell of the seals!), you will find a breeding colony of New Zealand fur seals. A well-marked and easy 10-minute walking track takes you to the colony where you can see the creatures lazing around or swimming in the ocean.

The spectacular West Coast coastline guides you to Paparoa National Park and to Punakaiki where a walk along the paths around the pancake rocks is a must. Please note there is no supermarket facilities in Punakaiki.

Your accommodation: Havenz Punakaiki (Self check in required)

Havenz Punakaiki offers a selection of traditional Kiwi hideaways: luxury homes, holiday apartments and baches. These holiday retreats are situated in tranquil native forest and offer easy access to beaches, the Paparoa National Park and the famous Punakaiki Pancake Rocks and Blowholes.

Just south of the town of Greymouth is Shantytown a replica gold rush town with lots of great displays from yesteryear and a great place to spend a few hours. Drop your rental car at the Greymouth Train Station depot located inside the train station building before checking in for your train journey.

You'll travel across the South Island from the west to the east coast through Arthur's Pass National Park. Day 13

Collect your rental car

This tour can be priced with any of the rental cars available in our fantastic range, from economy hatchbacks to prestige saloons and SUV's.

Explore Christchurch City

Following the 2011 earthquake that razed its centre and much of the outlying suburbs, Christchurch is well into a billion-dollar makeover. In the middle of the Canterbury Plains, bordering the Pacific Ocean, New Zealand's newest city is an ideal gateway to exploring the middle of the South.

Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink.

Drive an hour in any direction to ski, mountain bike, wine taste, whale-watch, bungee jump or play golf. Take the winding Port Hills road to the French settlement of Akaroa and tour the vines in Waipara for an authentic New Zealand wine-tasting experience.

SUGGESTED ACTIVITY - Christchurch Triple Pass - Tram, Punting and Gondola

Experience three of Christchurch's iconic attractions in one day: the Christchurch Tram, Christchurch Gondola, and Punting on the Avon River. The historic tram is a delightful way to explore the evolving inner city, taking in the various sights with the hop-on hop-off pass and learning about the city from the live commentary. You'll also enjoy a bird's eye view of Christchurch and the Canterbury region including the distant peaks of the Southern Alps when you ride the gondola cableway to the top of the Port Hills in Heathcote Valley. Punting on the Avon River takes you through the city's green belt: a relaxing way to explore what is affectionately known as the 'Garden City'.

Your accommodation: Terra Vive Luxury Suites and Apartments

Terra Vive Luxury Suites and Apartments offer luxury accommodation in the heart of Christchurch City. Situated within the beautiful tree-lined street of Bealey Avenue, Terra Vive is ideally located in close proximity to the shops, restaurants and cafes.

Day 14

Christchurch to Akaroa

The Banks Peninsula offers a great contrast to the South Island's largest city. Just around a 1 1/2 hours drive from the city centre are rolling green hills, streams, golden sand beaches and small settlements that offer a unique insight into New Zealand's history and development. Just on the other side of the Port Hills is Lyttelton, a busy port town that was crucial to the development of Christchurch and the Canterbury Plains. Following the road around the beautiful natural harbour the names, such as Magazine Bay, Battery Point, Corsair Point and Governors Bay, remind of the importance the navy placed on this harbour.

The Banks Peninsula itself is actually the remains of a long extinct volcano, the rim of which collapsed some time ago allowing the sea to flood into and create what is now the Akaroa Harbour. In 1840 French colonists settled in Akaroa in a bid to stake a claim for the South Island.

Unbeknown the British had already declared sovereignty and a long drawn out dispute ensued with the British eventually being given government. However the French stayed and made this stunning part of the South Pacific their home and still to this day the town boasts French street names and every year a French Festival is held.

The Harbour itself is teeming with wildlife and a nature cruise is a must do activity. One of the world's smallest and rarest dolphins, hectors dolphin, are often seen and cruises also offer excursions with the chance to swim amongst them.

SUGGESTED ACTIVITY - Akaroa Swimming with the Dolphins Cruise

Akaroa Harbour formed as a result of an extinct volcanic crater being flooded by the Pacific Ocean. It's a beautiful place with sheer cliffs and the picturesque township of Akaroa at its heart. New Zealand's only native dolphin, Hector's dolphin, makes this sheltered harbour its home and its here you can take a 2 ½ hour tour to see and if you wish actually swim with these incredible creatures. Following a ½ hour briefing you depart on a 2 hour cruise of which around 1 hour is spent in the water with the dolphins. Black Cat Cruises has been operating since 1985 and their success rate at sighting dolphins is over 98%. Swimming with dolphins is not always possible either due to sea conditions, the dolphins' willingness to stay and play and other environmental reasons such as not swimming when there are babies around. You still manage to swim though on over 80% of their tours.

Your accommodation: Criterion Motel

The Criterion Motel offers studio apartments with spectacular views over Akaroa Harbour. You're also just a short walk from the fantastic cafes and restaurants that Akaroa offers.

Day 15

Akaroa to Aoraki Mt Cook National Park

Today you head into the heart of the South Island. Crossing the vast Canterbury Plains along the inland scenic route the first township of Geraldine offers an ideal refreshment stop before you head into Mackenzie country.

Passing through places such as Beautiful Valley it's not hard to understand where the names originate. Ascending Burkes Pass and onto the high country plateau and the picturesque town of Lake Tekapo, the first of the large Southern Lakes. It's a great place to take a scenic flight, enjoy a guided horse trek, a boat trip on the pristine lake or just enjoy the magnificent views.

Lake Pukaki is just another 30 minutes from Lake Tekapo and its from here you can be rewarded with spectacular views the full length of the lake and into Aoraki Mt Cook National Park. In Mt Cook Village a myriad of activities are available from glacier landings by ski plane or helicopter, kayaking on a glacial lake and a host of walks to suit all abilities and time frames. At The Hermitage Hotel the Sir Edmund Hillary Alpine Centre is a must see.

Please note: There are no food shops at Mt Cook, and dinner options are limited to one restaurant. If you wish to self-cater, you must stock up before arriving in Mt Cook, or make dinner reservations in advance.

Sir Edmund Hillary Alpine Centre Museum and Theatre Explorer Pass

A tribute to New Zealand's Sir Edmund Hillary, a humanitarian, ambassador, and one of the world's greatest explorers. The centre showcases the Aoraki Mount Cook region, the history of climbing, and early transport used throughout the region. This comprehensive museum details the life of Sir Edmund Hillary, the Hermitage, and provides access to the 126-seat custom-designed theatre. Check out the daily film schedule which includes 3D Movies, documentaries, and 360-degree digital dome features.

SUGGESTED ACTIVITY - Glacier Explorers Mt. Cook

Experience 500 year old icebergs up-close on the Mt Cook terminal lake. The Glacier Explorers tour is the only one of its kind in New Zealand and one of only three in the world! Very few glaciers terminate into lakes and even fewer of them are accessible. See towering ice cliffs and floating icebergs from the safety of a specially designed boat. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.
