## Day 3

## Queenstown to Aoraki Mt Cook National Park

Leaving Queenstown you'll head through the Kawarau Gorge and over the historic Kawarau Bridge, a popular bungy jumping location. Choose to participate in this daredevil sport or watch others instead. Continue through Gibbston and be sure to stop at one of its many vineyards for a tasting. As you leave the gorge you'll arrive in Cromwell, known for its many fruit orchards. If you're a foodie at heart, we recommend taking a side trip to Bannockburn for a complete food and wine experience at one of its many award-winning wineries and restaurants.

Cromwell itself sits at the head of the Kawarau Gorge and the old historic town is well worth the visit. Completely submerged when the Clyde Dam was built and Lake Dunstan established in 1992, the remnants of the old Cromwell town provides a unique snapshot into this area's history. Head over through the Lindis Pass, one of New Zealand's highest roads, with the summit reaching 971 metres. Its tussock covered hills are a barren but beautiful sight as you descend into the Mackenzie Basin. You'll go through the towns of Omarama and Twizel, the last stops before you arrive at Lake Pukaki and take the Aoraki Mt Cook Highway to arrive in the small village.

Please note: There are no food shops at Mt Cook, and dinner options are limited to one restaurant. If you wish to self-cater, you must stock up before arriving in Mt Cook, or make dinner reservations in advance.

---

## SUGGESTED ACTIVITY - Glacier Explorers Mt. Cook

Experience 500 year old icebergs up-close on the Mt Cook terminal lake. The Glacier Explorers tour is the only one of its kind in New Zealand and one of only three in the world! Very few glaciers terminate into lakes and even fewer of them are accessible. See towering ice cliffs and floating icebergs from the safety of a specially designed boat. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.

---

## Alpine Explorer Heli Flight and Snow Landing with The Helicopter Line

Experience this magnificent alpine environment with a 35 minute flight over the Ben Ohau Mountains. Fly close to the steep ridges and rise over a mountain pass which reveals superb views out to Aoraki/Mount Cook and its surrounding peaks. Prepare yourself for an amazing alpine landing where you will be able to step out of the helicopter and play in the snow. Should weather not be suitable to take this flight you are able to transfer your booking onto a similar tour on any of the Helicopter Line's operations in Queenstown or Mt Cook.

---

## Your accommodation: Mt Cook Motel

Mt Cook Motel is located in the centre of Mt. Cook village. The self-contained units are spacious and all are surrounded by alpine mountain views.

## Day 4

### Aoraki Mt Cook National Park to Christchurch

Leaving Aoraki Mt Cook National Park, travel a short distance before stopping at the visitor centre on the southern shores of Lake Pukaki. Learn about the formation of the region and take in the spectacular views of Mount Cook. Lake Tekapo also displays the same reflective qualities of Lake Pukaki, making the waters a bright turquoise. You'll go through the small town of Tekapo, home to some of the most photographed subjects in the country, the Church of the Good Shepherd and the Collie Dog statue. It's a great place to take a scenic flight, enjoy a guided horse trek, a boat trip on the pristine lake or just marvel at the magnificent views. From here you travel through Burkes Pass and into the rich farming valley that surrounds Geraldine. Continue on across the vast Canterbury Plains to arrive in Christchurch City, your destination for the night.

---

### SUGGESTED ACTIVITY - Christchurch Gondola

In the Heathcote Valley, just fifteen minutes from the heart of Christchurch City, ride the Christchurch Gondola for nearly a kilometer to the collapsed rim of an extinct volcano, which exploded six million years ago. Take in the spectacular panoramic views of the central city, Lyttelton Harbour, Banks Peninsula, Canterbury Plains, and the distant peaks of the Southern Alps. Wander the summit complex, enjoy a coffee or lunch in the cafe, and choose one of many nature walks to explore or visit the Christchurch Discovery Place, a dramatic reconstruction of the history of the Port Hills and Christchurch.

---

### Your accommodation: Terra Vive Luxury Suites and Apartments

Terra Vive Luxury Suites and Apartments offer luxury accommodation in the heart of Christchurch City. Situated within the beautiful tree-lined street of Bealey Avenue, Terra Vive is ideally located in close proximity to the shops, restaurants and cafes.

---

## Day 5

### Christchurch to Akaroa

The Banks Peninsula offers a great contrast to the South Island's largest city. Just around a 1 1/2 hours drive from the city centre are rolling green hills, streams, golden sand beaches and small settlements that offer a unique insight into New Zealand's history and development. Just on the other side of the Port Hills is Lyttelton, a busy port town that was crucial to the development of Christchurch and the Canterbury Plains. Following the road around the beautiful natural harbour the names, such as Magazine Bay, Battery Point, Corsair Point and Governors Bay, remind of the importance the navy placed on this harbour.

The Banks Peninsula itself is actually the remains of a long extinct volcano, the rim of which collapsed some time ago allowing the sea to flood into and create what is now the Akaroa Harbour. In 1840 French colonists settled in Akaroa in a bid to stake a claim for the South Island. Unbeknown the British had already declared sovereignty and a long drawn out dispute ensued with the British eventually being given government. However the French stayed and made this stunning part of the South Pacific their home and still to this day the town boasts French street names and every year a French Festival is held.

The Harbour itself is teeming with wildlife and a nature cruise is a must do activity. One of the world's smallest and rarest dolphins, hectors dolphin, are often seen and cruises also offer excursions with the chance to swim amongst them.

---

### Akaroa Dolphins Harbour Nature Cruise

A cruise around Akaroa Harbour is the perfect way to view the smallest and rarest dolphins in the world, the Hector's Dolphin, along with fascinating birdlife, New Zealand fur seals and white-flipped penguins. Their custom built catamaran accommodates a small number of guests so you are able to enjoy a more personal cruise experience around the spectacular seascape including sea caves, high cliffs and volcanic rock formations.

### Your accommodation: Criterion Motel

The Criterion Motel offers studio apartments with spectacular views over Akaroa Harbour. You're also just a short walk from the fantastic cafes and restaurants that Akaroa offers.

---

## Day 6

### Akaroa to Dunedin

Crossing the vast Canterbury Plains as you head South, State Highway 1 crosses many braided rivers that start their life as glacial melt water high in the Southern Alps. New Zealand's longest bridge at Rakaia crosses such an example. The towns of Timaru followed by Oamaru are worth a short detour to the town centre.

The town of Oamaru is most famous for its buildings constructed with the unique locally quarried white stone. Explore the old quarter or if you don't mind a late arrival into Dunedin then stay around to see the blue penguins come ashore at dusk.

Just a little further south and you arrive at Moeraki and its famous Moeraki Boulders. The last stretch of road follows the coastline before crossing the hills and descending into the city of Dunedin.

---

### SUGGESTED ACTIVITY - Albatross Classic Tour with Royal Albatross Centre

This 60 minute tour focuses on the Royal Albatrosses and wildlife that inhabit Pukekura (Taiaroa Head). Begin with a short film, then enjoy the informative commentary provided by your guide about albatrosses as you visit the observatory to see nesting albatross in their natural habitat.

---

### Your accommodation: Motel on York

Motel on York is located in the heart of Dunedin city. The property offers superior accommodation only 300 metres away from cafes and restaurants.

---

## Day 7

### Explore Dunedin and the Otago Peninsula

Known as the Edinburgh of the South, Dunedin City has a heavy Scottish influence. Surrounded by rugged coastal plains and windswept beaches it's home to an eclectic mix of historical and modern architecture as well as industrial technology. Renowned for its Flemish Baroque-inspired 'gingerbread house' Railway Station, this university town is bustling with life. Head to the Saturday farmers market held in the aforementioned railway grounds for a taste of organic produce, handmade crepes and local honey. Explore the many cafes and wine bars in The Octagon, then continue on a self-guided walking tour of the internationally acclaimed Street Art dotted around the city. Drive to the coast and watch the freighters passing in the distance while you sunbathe, or hire a mountain bike and test your legs on one of the many trails available in the area. For a more immersive historical experience, follow the coast to New Zealand's only castle, Larnach Castle. On your way back be sure to head to the Otago Peninsula to see the largest mainland Albatross colony in the world.

## Elm Wildlife Peninsula Encounter Tour Including Wildlife Cruise

A small-group bus tour from Dunedin. Join a local guide for a journey across the Otago Peninsula. Travel over the high road with postcard views of the harbour and coast. You'll travel past quaint communities and rural farms. Spot wading birds as your mini-bus explores around the inlets and the wetland eco-systems. Your tour will visit a remote Otago Peninsula beach. A short walk from the mini-bus will provide dramatic views of rugged coastal cliffs, offshore islands and perhaps some huge sea lions. The trip continues to Wellers Rock Wharf, for a Monarch Wildlife Cruise. You'll travel out of the harbour, around Taiaroa Head, and out to sea. Watch royal albatross glide across the water and return to their breeding colony. Beneath a historic lighthouse is a colony of playful fur seals. You'll spot other rare seabirds and maybe blue penguins or other marine mammals. You are also welcome to bring a pre-packed meal on tour with you. Snacks and drinks can be purchased whilst aboard the MV Monarch. We recommend having a good-sized lunch before the tour departs Dunedin. The final stop is at a Yellow-eyed Penguin conservation reserve. Visit the on-site rehab centre before a tour of the reserve. You'll take trails through native bushland, walking through tunnels and trenches to different viewing hides scattered around the reserve. Watch as the world's rarest penguin returns ashore and interacts around their nesting sites. The tour ends with a relaxed drive, following the harbour, back to Dunedin.

### Your accommodation: Motel on York

Motel on York is located in the heart of Dunedin city. The property offers superior accommodation only 300 metres away from cafes and restaurants.

## Day 8

### Dunedin to Te Anau

The drive to Te Anau takes you through classic Southland farming scenery. Head off-the-beaten-track today and follow the coastline instead of the inland route. Go through The Catlins area and be sure to take a detour to Kaka Point to view its majestic cliffs and pounding surf. Continue through Invercargill to Riverton and Colac Bay, and then head north to Manapouri. From here you can embark on a day or overnight cruise to the remote Doubtful Sound, renowned for its natural beauty. Just a short way further will bring you to your lakeside destination of Te Anau, gateway to Fiordland National Park and Milford Sound.

### Te Anau Glowworm Caves with RealNZ

Begin your Te Anau Glowworm experience with a scenic cruise across Lake Te Anau on board the luxury catamaran, Luminosa, to the western side of the lake. On arrival, you'll enter the caves through Cavern House, where informative displays detail the history of this 12,000 year old underground network.

You'll then explore by limestone pathway while your guide points out hidden whirlpools, sculpted rock formations and a rushing underground waterfall. See a magical display of thousands of glowworms as you glide through the darkness in a small boat.

### Your accommodation: Lakefront Lodge

Stylish self contained motel units less than one minute walk from Te Anau Lakefront. Close to shops, cafes and restaurants.

## Day 9

## Te Anau to Milford Sound and return to Te Anau

The road to Milford Sound offers some of the most beautiful and iconic scenery in the country. From crystal clear lakes and towering mountains to lush glacier formed meadows, this area is dramatic and unyielding. Stretch your legs on the Chasm Walk, a short stroll through native beech forest to see several powerful waterfalls. Continue on through the Homer Tunnel, an engineering marvel at 1219 metres long. Arriving into the village of Milford, you will be greeted with an amazing view of Mitre Peak. A day cruise into the heart of the sound is not to be missed. You'll learn about how this magnificent area was formed and experience the wonder of the falls that line the Fiord before back-tracking the way you came.

Please note: Make sure to allow 2.5hrs to Milford Sound, this takes into account the current road works on the Milford Road.
