From Picton you'll first travel the Marlborough Sounds coastline between Picton and Havelock. This drive offers spectacular views of the sounds, so be sure to allow plenty of time for stops and sightseeing. Take moment to explore the secluded sandy coves along the narrow road to Portage. Aim to arrive in Havelock for lunch, as this portside town has a great variety of cafes and restaurants to eat at. Stop at the famous Pelorus bridge, just outside of Havelock. From here there are a number of forest walks to stretch your legs on with the most popular being a 30 minute loop through beech, rimu and totara forest. Continue on over the Bryant Range to arrive into Tasman Bay and the city of Nelson. Motueka is a further 45 minutes along the coast and from there it's just a short drive to Kaiteriteri and Marahau, all ideal spots from which to explore the beautiful Abel Tasman National Park.

## Day 9

## Marahau to Punakaiki

The drive today takes you along the Buller Gorge and offers some wonderful scenery as you follow this magnificent river. The town of Murchison is a quiet place and a great lunch stop. Underneath its sleepy farming facade is an adventurers' paradise with white water rafting, kayaking, 4WD trips, and some great trout fishing.

The first major town (by this region's standard) is Inangahua, and a small museum tells of the earthquake that hit the region in 1968, leaving 70% of the buildings damaged or inhabitable. Further along the river, one of the must-visit places is Whites Creek and New Zealand's longest swing bridge. Crossing the river, you get magnificent views of the gorge, and once on the other side, there are short bush walks, jet boat rides, and some of the historic gold mining remnants.

The port town of Westport is the largest on the Northern West Coast. A history of gold mining, logging, fishing coal mining gives the town a hard-working feeling. And to reward the hard workers the town has an extraordinary amount of pubs.

There are plenty of activities here, such as caving, bush walks, and surfing, but one of the most popular is to take a trip to Tauranga Bay and the seal colony. Just 15 kilometres south at Cape Foulwind (named by Captain Cook for the difficult sailing conditions and not the smell of the seals!), you will find a breeding colony of New Zealand fur seals. A well-marked and easy 10-minute walking track takes you to the colony where you can see the creatures lazing around or swimming in the ocean.

The spectacular West Coast coastline guides you to Paparoa National Park and to Punakaiki where a walk along the paths around the pancake rocks is a must. Please note there is no supermarket facilities in Punakaiki.

## Paparoa National Park

Paparoa National Park on the South Island's West Coast is most famous for its sculpted limestone cliffs, including the Pancake Rocks and blowholes at Dolomite Point. The best place to base yourself for exploring the park is the small village of Punakaiki.

The limestone base of the park makes this a spectacular destination, with karst limestone formations scattered amongst lush green forests and carved out river canyons. There are a number of opportunities for the unguided day tripper to safely experience the subterranean cave systems. The oldest tourist destination in the park is the Fox River Cave Walk, a safe cave walk with 200m of an underground network to explore, or visit the Punakaiki cavern located right beside State Highway 6; just remember to bring a good flashlight.

To really understand the flora and fauna of the park, make sure to stop and visit the caves and rivers, or for a more adventurous experience, black water rafting with Underworld Adventures. For more information on walks and caves in Paparoa National Park, visit the Department of Conservation website.

## Your accommodation: Punakaiki Treehouse

The Punakaiki Treehouse is situated in 3 hectares of NZ native bush and is located 3.2km North of the Punakaiki Pancake rocks.

Meals included: Breakfast

## Day 10

## Punakaiki to Franz Josef Glacier

The drive South on State Highway 6 takes you through many West Coast towns. The first is Greymouth, the commercial centre for the West Coast. Just south of the town is Shantytown a replica gold rush town with lots of great displays from yesteryear.

The next town is Hokitika and this is a great place to explore the craft and gift stores. The Jade or Greenstone on offer in Hokitika is probably some of the best you will see in the country. The Hokitika Gorge, off the beaten track and inland a little is a spectacular 50 minute detour.

Turquoise waters flowing through a narrow gorge. A great short walk will deliver you to this piece of paradise.

Ross is the site of an old gold mining town and some of the old buildings and workings remain. In fact Ross is still home to one of the few working gold mines left in New Zealand and the local information centre offers you the chance to pan for gold.

Continuing south Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman.

Whataroa, a small township on the main road is where you would head off to see one of the world's rarest birds. The entire population (somewhere between 150 and 200 birds) of the New Zealand white heron or kotuku nest at the Waitangi Roto Nature Reserve and guided tours from October to March will take you there.

Arriving in to the Glacier region you catch your first glimpse of Franz Josef Glacier from a few kilometres out as it flows from the Southern Alps. Franz Josef township is a lively place with a great atmosphere, plenty of choice to dine out and some wonderful activities to enjoy.

## Westland Tai Poutini National Park

Westland Tai Poutini National Park forms part of Te Wahipounamu – South West New Zealand World Heritage Area, and rightly so, as this park has it all. Best explored from either Franz Josef or Fox Glacier village, you can encounter a myriad of landscapes here, from fast-moving glaciers to the wild West Coast beaches. From its highest points in the snow-capped mountains of the Southern Alps, you are rewarded with a visual feast encompassing ancient forests, crackling blue glaciers, pristine rivers, lagoons thriving with birds, and an immense stretch of untouched coastline. A unique feature of the park is the proximity of the Fox and Franz Josef Glaciers to the sea. Both terminal faces are just 300 metres above sea level and pass through the surrounding rainforest, making for an unusual combination of environments. As well as the glaciers, other highlights of Westland National Park are tranquil Lake Matheson and Okarito Lagoon with its teeming bird population. There are numerous ways to explore the park, each offering a different perspective on this remote wilderness. The best way to really appreciate the contrasting landscape is to take to the air; the Twin Glacier scenic flight takes you over both glaciers for spectacular views before landing at the head of one glacier for a truly memorable snow landing. The more adventurous can add a glacier walk with the Franz Josef Helihike. For an informative exploration of the glaciers, a guided walk to the Fox Glacier terminal face is fascinating. With all this wilderness, you can expect the wildlife to be amazing, and a tour of the White Heron Sanctuary during breeding season is a real delight for nature lovers.

### Your accommodation: Westwood Lodge

Westwood is a purpose built lodge, crafted entirely from wood and exquisitely decorated throughout. The lounge is the place to meet to watch the Southern Alps turn a soft pink in the setting sun.

## Day 11

### Explore Franz Josef

Franz Josef is a small yet lively town in the heart of New Zealand's West Coast, best known for its spectacular 12 km-long glacier. The township is surrounded by lush, rainforest-clad mountains and has a vibrant atmosphere with plenty to explore. A variety of scenic walking trails offer incredible views of the glacier, but for a truly up-close experience, a licensed helicopter tour is the only way to set foot on the ice. Beyond the glacier, unwind in the rejuvenating Hot Pools or visit the West Coast Wildlife Centre to spot rare kiwi birds. If you're in the mood for a more relaxed day, the township is home to charming souvenir and gift shops, as well as great dining spots like SnakeBite Brewery and King Tiger. Whether you're chasing adventure or relaxation, Franz Josef is a stunning blend of wild beauty and welcoming hospitality.

### Franz Josef Glacier Helihike with Franz Josef Glacier Guides

After a thrilling scenic flight, high above the rugged terrain, you will land on the glacier, ready to undertake a guided glacier hike. Your friendly guide will lead you through some of the most pristine and awe-inspiring glacial scenery in the world. Your guide will choose your route carefully as you go and, with an eye for the most spectacular ice formations, you'll soon be making your way through an extraordinary landscape of towering peaks and glistening blue ice. It is important you read and understand the risks associated with this activity prior to travel. For more information please see [here](#).
