### Waitangi Golf Club - suggested activity

The Waitangi Course not only provides an exciting and ever changing challenge to the golfer but also the most tremendous panorama of sea and island views over the Bay of Islands and Russell, river and estuary views over Waitangi and Opua and rolling bush and forest views inland over Mount Bledisloe and Puketona.

These views are complemented by well groomed greens and fairways surrounded by areas of flowering native trees which provide sanctuary for many varieties of native birds. As many visiting golfers, particularly those from overseas, claim Waitangi is truly millionaires country for all to enjoy.

In 1932 the then Governor General of New Zealand, Lord Bledisloe and his wife Lady Bledisloe purchased just over one thousand acres of land on the Waitangi Peninsular and donated it to the inhabitants of New Zealand as a place of historic interest and recreational enjoyment for their benefit and use in perpetuity.

This land is known as the Waitangi National Trust and is now administered and managed under the terms of the original gift by the Waitangi National Trust Board. The Waitangi Golf Club leases the land on which the course has been developed from the Trust.

## Rosewood Kauri Cliffs Golf Course

Rosewood Kauri Cliffs was designed and built by David Harman. The par 72 championship golf course measures 7,119 yards / 6,510 metres and offers five sets of tees to challenge every skill level. Fifteen holes view the Pacific Ocean, six of which are played alongside cliffs which plunge to the sea. The beautiful inland holes wind through marsh, forest and farmland. Rosewood Kauri Cliffs is currently ranked #39 in the world by Golf Digest Top 100 Greatest Golf Courses in the World.

Rosewood Kauri Cliffs recently underwent a renovation from world-renowned golf course architect Rees Jones. The 5th hole received a complete redesign and was transformed from a long, uphill, forced carry par-3 to a short "drop shot" par-3. Other notable changes were the addition of tees on the 2nd and 9th holes and a bunker renovation on the 4th hole. The golf complex includes a world-class practice range, putting and chipping greens, a well-stocked golf shop, and ladies' and men's locker rooms. The lake is actually a volcanic caldera formed following a massive eruption in the year 186 and is considered to be one of the most massive and violent eruptions known. Overlooking the lake are the cones of long-extinct volcanoes, further evidence of the region's fiery past. To the southwest Mt. Ruapehu in the Tongariro National Park can be seen. The town itself is a lively place with many shops, bars and cafes all catering for the traveller and visitor.

A whole host of activities can be undertaken here such as bungy jumping, sky diving, fishing for trout in the lake and rivers, kayaking, sailing, horse riding and walking and hiking to name but a few.

Stop in at the quirky L'Arte Cafe and Gallery, home to the famous mosaic outdoor living room and the well-recognised 'Alice's Chair' sculpture.

Just to the north of the town centre is the Wairakei geothermal power station and a little further north is Craters of the Moon, a geothermal wonderland where you can explore colourful sulphurous lakes, bubbling mud pools and hot water geysers from the safety of boardwalks. The nearby Huka Falls are a spectacular sight and a jet boat ride will give you a very exciting ride to view the thundering water from below.

## Day 8

### Taupo to Napier

The road from Taupo climbs high onto the plateau crossing the Ahimnawa Range before arriving onto the Pacific Coast just north of the world's finest art deco city of Napier.

Napier, the city by the sea, is renowned for its 1930s Art Deco architecture, events such as the Art Deco Weekend in February, stately Norfolk pines, surrounding wineries and local fresh produce. Supported by a Mediterranean climate and over 2,200 hours of sunshine a year this popular year-round destination boasts a vibrant cafe culture amongst the splendour of the Art Deco buildings. Around 30 cafes are within walking distance of the central city area, while Ahuriri, just over Bluff Hill, is home to a further cluster of up market establishments. Marine Parade overlooks the Pacific Ocean and out towards Cape Kidnappers, home to the world's largest mainland gannet colony. A full day can be taken visiting Ocean Spa hot pools and swimming complex, the Hawke's Bay Museum and the National Aquarium of New Zealand.

A landmark of Napier is Bluff Hill, which is home for many Napier residents and provides views of the town, beaches of Perfume Point and Westshore and out towards Whirinaki. Bluff Hill also overlooks the Port of Napier, one of New Zealand's busiest ports, transporting timber, local fruit and meat products to worldwide destinations.

In 1931, New Zealand's greatest natural disaster struck Hawke's Bay. At 10.47am on Tuesday February 3rd, an earthquake of magnitude Richter 7.8 struck. In a minute and a half, in two separate shocks, the centre of Napier was almost totally destroyed. Fires quickly broke out and reduced to ashes or gutted what the tremors had left standing. Damage in Hastings was also devastating, although the fires were contained. Wairoa and the smaller towns to the south as far as Dannevirke were affected. There were 258 deaths, 162 in Napier, 93 in Hastings and 3 in Wairoa along with many injuries. The reconstruction of Napier and Hastings were costly but the benefit was two modern cities and the Ahuriri Lagoon, or Inner Harbour as it was usually known, was raised over 2 metres, creating the land, which Napier desperately needed to expand.

### Walking tracks in and around Hawkes Bay

Hawke's Bay offers a variety of scenic walks, from coastal paths to forest trails, perfect for exploring the region's natural beauty. Whether you're looking for a short stroll or a more challenging hike, there's something for everyone. Be sure to check with the Department of Conservation for current conditions before heading out.

Explore Mission Estate, the birthplace of New Zealand wine, or tour vineyards for a deeper dive into its winemaking legacy. Fans of the 1930s can enjoy a Vintage Car Tour, showcasing Napier's architectural gems. Outdoor enthusiasts can cycle over 200km of scenic trails or unwind at pristine beaches like Ocean and Waimarama. Indulge your taste buds with local delights, from honey and chocolate to fresh orchard produce. The Hawkes Bay is also home to an abundance of wildlife, head out on a Gannet Safari or educate yourself at the National Aquarium of New Zealand.

You will travel in comfort in air-conditioned 4 x 4 wheeled vehicles, through Cape Kidnappers Station - traversing riverbeds, broad rolling pastures, stands of native bush, steep gullies and breath-taking inclines. There is a stop on the way at a spectacular cliff top with panoramic views of Hawke Bay right across to Mahia peninsular. The 36km, three hour trip includes a commentary by your tour guide/driver on the farming operation on Cape Kidnappers Station and an introduction to the gannets. On arrival at the gannets you can stretch your legs and take in the scenery from your position at the brink of the cliff's edge, 100 metres above the ocean!
