Day 17

Explore Dunedin and the Otago Peninsula

Known as the Edinburgh of the South, Dunedin City has a heavy Scottish influence. Surrounded by rugged coastal plains and windswept beaches it's home to an eclectic mix of historical and modern architecture as well as industrial technology. Renowned for its Flemish Baroque-inspired 'gingerbread house' Railway Station, this university town is bustling with life. Head to the Saturday farmers market held in the aforementioned railway grounds for a taste of organic produce, handmade crepes and local honey. Explore the many cafes and wine bars in The Octagon, then continue on a self-guided walking tour of the internationally acclaimed Street Art dotted around the city. Drive to the coast and watch the freighters passing in the distance while you sunbathe, or hire a mountain bike and test your legs on one of the many trails available in the area. For a more immersive historical experience, follow the coast to New Zealand's only castle, Larnach Castle. On your way back be sure to head to the Otago Peninsula to see the largest mainland Albatross colony in the world.

SUGGESTED ACTIVITY - Wildlife Peninsula Encounter Tour Including Wildlife Cruise with Monarch

A small-group bus tour from Dunedin. Join a local guide for a journey across the Otago Peninsula. Travel over the high road with postcard views of the harbour and coast. You'll travel past quaint communities and rural farms. Spot wading birds as your mini-bus explores around the inlets and the wetland eco-systems. Your tour will visit a remote Otago Peninsula beach. A short walk from the mini-bus will provide dramatic views of rugged coastal cliffs, offshore islands and perhaps some huge sea lions. The trip continues to Wellers Rock Wharf, for a Monarch Wildlife Cruise. You'll travel out of the harbour, around Taiaroa Head, and out to sea. Watch royal albatross glide across the water and return to their breeding colony. Beneath a historic lighthouse is a colony of playful fur seals. You'll spot other rare seabirds and maybe blue penguins or other marine mammals. You are also welcome to bring a pre-packed meal on tour with you. Snacks and drinks can be purchased whilst aboard the MV Monarch. We recommend having a good-sized lunch before the tour departs Dunedin. The final stop is at a Yellow-eyed Penguin conservation reserve. Visit the on-site rehab centre before a tour of the reserve. You'll take trails through native bushland, walking through tunnels and trenches to different viewing hides scattered around the reserve. Watch as the world's rarest penguin returns ashore and interacts around their nesting sites. The tour ends with a relaxed drive, following the harbour, back to Dunedin.

SUGGESTED ACTIVITY - Speights Brewery Tour

Founded in 1876, the Speights Brewery still occupies its original Dunedin site - with several of its buildings dating back to the late 1800's. One of the only remaining 'gravity breweries' in the world, this 60-minute tour explains its inner workings. There is an opportunity to taste six different beers as well as bottle, cap and brew your own personal Speights Gold Medal Ale - the brewery's flagship beer.

Dinner at Camp Estate, Larnach Castle

Day 23

Queenstown to Wanaka

Leaving Queenstown you'll drive over New Zealand's highest sealed road, the Crown Range before arriving into the resort town of Wanaka.

Wanaka

The alpine village of Wanaka sits on the shores of the third largest lake in the Queenstown Lakes District and is surrounded by the southern alps. Wanaka draws those seeking adventure, spectacular scenery and a relaxed atmosphere.

During winter the town's population more than triples as snow sports enthusiasts flock to the local ski fields of Treble Cone and Cardrona.

Known as the gateway to the Mt Aspiring National Park, Wanaka is a walker's paradise of remote wilderness, high mountains and beautiful river valleys. For those seeking an adrenaline rush try skydiving, rock-climbing, jet boating or choose a scenic flight over Wanaka in a historic Tiger Moth aeroplane.

SUGGESTED ACTIVITY - Cruise and Island Nature Walk with Eco Wanaka

Lying close to the centre of Lake Wanaka is Mou Waho Island Nature Reserve. A unique glacial remnant of the last ice age, the island is also the historic site of early shipbuilding and used to be a stopping place for the steamers and log rafts that once plied the lake. Accessible from Wanaka by a 35-minute boat cruise, the landing is on the eastern side of the island where the remnants of the early settlement remain; a stone wharf and a hut. A well-formed track leads from the landing and climbs steadily through native bush to near the top of Tyrwhitt Peak. Just before the top, we see Arethusa Pool, a small lake on the island with small islands in it - very intriguing! From the top, we have a sweeping 360-degree view of Lake Wanaka, its surrounding mountains and valleys, and below Arethusa Pool. The perfect spot to stop for tea or coffee. Going back down the track gives us more time to take in our surroundings, listening to and watching the lively bird-life, and just enjoying this unique wildlife reserve. You will feel well rewarded as you re-join the boat for the cruise back to Wanaka. Total cruise time is 1.5 hours. The trip runs subject to weather and lake conditions. Depending on the planting season, you can help The Reforestation of Mou Waho by planting a tree.

Ross is the site of an old gold mining town and some of the old buildings and workings remain. In fact, Ross is still home to one of the few working gold mines left in New Zealand and the local information center offers you the chance to pan for gold.

Hokitika is a great place to explore craft and gift stores and head to the coast and take in the endless sea views. The Jade or Greenstone on offer in Hokitika is probably some of the best you will see in the country. The Hokitika Gorge is located 45 minutes inland and offers turquoise waters flowing through a narrow gorge. A great short walk will deliver you to this piece of paradise.
