Day 2

Explore Queenstown

Well-known as New Zealand's 'adventure capital', Queenstown is home to a range of adventures, from the world's first and most famous bungy jumps to jet boat thrills, white-water rafting, and skydiving. However, Queenstown offers far more than a fast-paced, action-packed holiday. Settled on the shores of beautiful Lake Wakatipu beneath a soaring panorama of the Remarkables Mountain Range, this alpine town is surrounded by many historic, gastronomic, and scenic wonders. Take a stroll through the beautiful lakefront parks and gardens, browse through market stalls on weekends, dine in wonderful al-fresco restaurants, or ride on the 100-year-old historic Steamship - TSS Earnslaw to Walter Peak Station. Take the Queenstown Gondola up to Bob's Peak and soak up the panoramic views of the magnificent lake and mountain ranges. Steamer Wharf is full of delicious eateries and the O'Connells Pavillion is great for a spot of shopping. And after all of that, if you do want the adrenaline rush, Queenstown is known for taking your pick from the Shotover Jet, Canyon Swing, Zipline, Luge, or Heli-hike.

SUGGESTED ACTIVITY - Shotover Canyon River Jet Boat Adventure

Riding the iconic 'Big Red' Jet Boat through the narrow Shotover Canyon is an exhilarating experience not to be missed. Your skilled jet boat driver pushes the boat to 85 kph, skimming across shallow water and past towering canyon walls. This 25 minute white water ride includes 360 degree spins and maximum thrills.

SUGGESTED ACTIVITY - Appellation Boutique Wine Tour

Experience a tasting journey through three of Central Otago's incredibly scenic and varying wine sub-regions; Gibbston, Bannockburn and Cromwell. Visit three boutique vineyards, tasting their unique cool climate wines and discover why the Central Otago region has become world-renowned in its own right.

Indulge at a fourth vineyard restaurant for a platter-style lunch, savouring the finest and freshest produce, accompanied with a wine flight. There will also be an opportunity to retrace history when you stroll through the charming historical settlement of Old Cromwell.

Day 3

Queenstown to Aoraki Mt Cook National Park

Leaving Queenstown you'll head through the Kawarau Gorge and over the historic Kawarau Bridge, a popular bungy jumping location. Choose to participate in this daredevil sport or watch others instead. Continue through Gibbston and be sure to stop at one of its many vineyards for a tasting. As you leave the gorge you'll arrive in Cromwell, known for its many fruit orchards. If you're a foodie at heart, we recommend taking a side trip to Bannockburn for a complete food and wine experience at one of its many award-winning wineries and restaurants.

Cromwell itself sits at the head of the Kawarau Gorge and the old historic town is well worth the visit. Completely submerged when the Clyde Dam was built and Lake Dunstan established in 1992, the remnants of the old Cromwell town provides a unique snapshot into this area's history. Head over through the Lindis Pass, one of New Zealand's highest roads, with the summit reaching 971 metres. It's tussock covered hills are a barren but beautiful sight as you descend into the Mackenzie Basin. You'll go through the towns of Omarama and Twizel, the last stops before you arrive at Lake Pukaki and take the Aoraki Mt Cook Highway to arrive in the small village.

Please note: There are no food shops at Mt Cook, and dinner options are limited to one restaurant. If you wish to self-cater, you must stock up before arriving in Mt Cook, or make dinner reservations in advance.

SUGGESTED ACTIVITY - Glacier Explorers Mt. Cook

Experience 500 year old icebergs up-close on the Mt Cook terminal lake. The Glacier Explorers tour is the only one of its kind in New Zealand and one of only three in the world! Very few glaciers terminate into lakes and even fewer of them are accessible. See towering ice cliffs and floating icebergs from the safety of a specially designed boat. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.

SUGGESTED ACTIVITY - Big Sky Stargazing

Mt Cook is far from the city lights and therefore has some of the darkest skies in New Zealand, perfect for viewing the night sky! Their fully trained guides are delighted to show you the beautiful southern night sky using the naked eye, state-of-the-art astronomy telescopes, and binoculars at the outdoor viewing platform. If the weather is not favorable then there will be an indoor alternative featuring New Zealand's first full dome digital Planetarium, high-definition video images on a suspended 9m wide x 4.5m high full dome. Unleash your imagination as you discover the night sky including the Southern Cross, seasonal ecliptic objects, planets, star clusters, moons, distant galaxies, and even our very own galaxy, the spectacular Milky Way!
