The 800 metre luge track offers an exhilarating journey through banked corners, tunnels and dippers.

SUGGESTED ACTIVITY - TSS Earnslaw Cruise and Walter Peak Gourmet BBQ Dinner

Enjoy a quintessential Kiwi experience, a delicious gourmet BBQ buffet meal and a farm demonstration in a stunning lakeside setting. Take in the stunning views of Lake Wakatipu and its surroundings as you cruise across the lake to the historic Walter Peak high country farm aboard the TSS Earnslaw Steamship. Enjoy the ambience of the heart of the stately homestead while your Colonel's Homestead Restaurant chef prepares a gourmet BBQ dinner. Your seasonal menu includes an extensive selection of local New Zealand produce, including succulent meats and a selection of delicious vegetables and salads. Complete your meal with your choice of delicious desserts, New Zealand cheeses, tea, and coffee. Finally, cruise home under the southern stars and enjoy the fresh night air as the lights of Queenstown draw ever closer.

Your accommodation: Blue Peaks Lodge

Blue Peaks Lodge offers well equipped self contained rooms with a fantastic location overlooking Queenstown and is just an easy five minutes walk to the Queenstown lakefront.

Day 2

Explore Queenstown

Well-known as New Zealand's 'adventure capital', Queenstown is home to a range of adventures, from the world's first and most famous bungy jumps to jet boat thrills, white-water rafting, and skydiving. However, Queenstown offers far more than a fast-paced, action-packed holiday. Settled on the shores of beautiful Lake Wakatipu beneath a soaring panorama of the Remarkables Mountain Range, this alpine town is surrounded by many historic, gastronomic, and scenic wonders. Take a stroll through the beautiful lakefront parks and gardens, browse through market stalls on weekends, dine in wonderful al-fresco restaurants, or ride on the 100-year-old historic Steamship - TSS Earnslaw to Walter Peak Station. Take the Queenstown Gondola up to Bob's Peak and soak up the panoramic views of the magnificent lake and mountain ranges. Steamer Wharf is full of delicious eateries and the O'Connells Pavillion is great for a spot of shopping. And after all of that, if you do want the adrenaline rush, Queenstown is known for taking your pick from the Shotover Jet, Canyon Swing, Zipline, Luge, or Heli-hike.

SUGGESTED ACTIVITY - Shotover Canyon River Jet Boat Adventure

Riding the iconic 'Big Red' Jet Boat through the narrow Shotover Canyon is an exhilarating experience not to be missed. Your skilled jet boat driver pushes the boat to 85 kph, skimming across shallow water and past towering canyon walls. This 25 minute white water ride includes 360 degree spins and maximum thrills.

SUGGESTED ACTIVITY - Arrowtown To Gibbston Valley - Bridges Trail Self-Guided Mountain Bike Ride

Your four hour adventure begins in central Queenstown where you will collect your bike and catch the shuttle through the historic gold mining village of Arrowtown to the start of the Arrow River trail. Cycle along the beautiful Arrow River gorge till it meets the confluence of the Kawarau River, joining the original miners trail that crosses the famous Kawarau suspension bridge and Bungy site. Continue through to Gibbston Wine Valley to a designated winery where there is time to enjoy a glass before being picked up and delivered back to Queenstown.

Your accommodation: Blue Peaks Lodge

Blue Peaks Lodge offers well equipped self contained rooms with a fantastic location overlooking Queenstown and is just an easy five minutes walk to the Queenstown lakefront.

Day 3

Queenstown to Aoraki Mt Cook National Park

Leaving Queenstown you'll head through the Kawarau Gorge and over the historic Kawarau Bridge, a popular bungee jumping location. Choose to participate in this daredevil sport or watch others instead. Continue through Gibbston and be sure to stop at one of its many vineyards for a tasting. As you leave the gorge you'll arrive in Cromwell, known for its many fruit orchards. If you're a foodie at heart, we recommend taking a side trip to Bannockburn for a complete food and wine experience at one its many award-winning wineries and restaurants.

Cromwell itself sits at the head of the Kawarau Gorge and the old historic town is well worth the visit. Completely submerged when the Clyde Dam was built and Lake Dunstan established in 1992, the remnants of the old Cromwell town provides a unique snapshot into this areas history. Head over through the Lindis Pass, one of New Zealand's highest roads, with the summit reaching 971 metres. It's tussock covered hills are a barren but beautiful sight as you descend into the Mackenzie Basin. You'll go through the towns of Omarama and Twizel, the last stops before you arrive at Lake Pukaki and take the Aoraki Mt Cook Highway to arrive in the small village.

Please note: There are no food shops at Mt Cook, and dinner options are limited to one restaurant. If you wish to self-cater, you must stock up before arriving in Mt Cook, or make dinner reservations in advance.

SUGGESTED ACTIVITY - Glacier Explorers Mt. Cook

Experience 500 year old icebergs up-close on the Mt Cook terminal lake. The Glacier Explorers tour is the only one of its kind in New Zealand and one of only three in the world! Very few glaciers terminate into lakes and even fewer of them are accessible. See towering ice cliffs and floating icebergs from the safety of a specially designed boat. These boats provide a safe way to view unseen and inaccessible areas of New Zealand's largest glacier The Tasman.

SUGGESTED ACTIVITY - Big Sky Stargazing

Mt Cook is far from the city lights and therefore has some of the darkest skies in New Zealand, perfect for viewing the night sky! Their fully trained guides are delighted to show you the beautiful southern night sky using the naked eye, state-of-the-art astronomy telescopes, and binoculars at the outdoor viewing platform. If the weather is not favorable then there will be an indoor alternative featuring New Zealand's first full dome digital Planetarium, high-definition video images on a suspended 9m wide x 4.5m high full dome. Unleash your imagination as you discover the night sky including the Southern Cross, seasonal ecliptic objects, planets, star clusters, moons, distant galaxies, and even our very own galaxy, the spectacular Milky Way!

Your accommodation: Mt Cook Motel

Mt Cook Motel, nestled in the heart of Mt. Cook Village, offers spacious self-contained units that provide comfort and convenience. Each unit is surrounded by breathtaking alpine mountain views, making it the perfect retreat for nature lovers and adventurers alike.

Day 4

Aoraki Mt Cook National Park to Christchurch

Leaving Aoraki Mt Cook National Park, travel a short distance before stopping at the visitor centre on the southern shores of Lake Pukaki. Learn about the formation of the region and take in the spectacular views of Mount Cook. Lake Tekapo also displays the same reflective qualities of Lake Pukaki, making the waters a bright turquoise. You'll go through the small town of Tekapo, home to some of the most photographed subjects in the country, the Church of the Good Shepherd and the Collie Dog statue. It's a great place to take a scenic flight, enjoy a guided horse trek, a boat trip on the pristine lake or just marvel at the magnificent views. From here you travel through Burkes Pass and into the rich farming valley that surrounds Geraldine. Continue on across the vast Canterbury Plains to Christchurch.

SUGGESTED ACTIVITY - Discover Christchurch Afternoon Tour

A half-day sightseeing tour of Christchurch highlighting both the damage to the city inflicted by several large earthquakes in 2010 and 2011 and the rebuild which is currently in progress, together with the surviving beauty of the city and the historical landmarks. Experience the grand architecture, beautiful gardens, and scenic viewpoints on a half-day city tour of Christchurch.

The tour commences in the central city of Christchurch and covers the area that was completely devastated by the Christchurch earthquakes in February 2011. The guide will explain both the history of the city and the effects of the earthquake. On leaving the inner city, the tour travels to Mona Vale a historic homestead and gardens. Then you will travel to the Sign of the Takahe, a historic building with a lookout providing spectacular views over the city, Canterbury Plains, and the Southern Alps. The tour then travels via the Port Hills and Lyttelton Harbour by way of the Sign of the Kiwi and Governors Bay to the Port of Lyttelton. The tour proceeds through the Lyttelton harbor tunnel to the seaside suburb of Sumner and Cave Rock before returning to the central city where the tour will conclude.

SUGGESTED ACTIVITY - Christchurch Gondola

In the Heathcote Valley, just 15 minutes from the heart of Christchurch City, ride the Christchurch Gondola for nearly a kilometer to the collapsed rim of an extinct volcano, which exploded six million years ago. Take in the spectacular panoramic views of the central city, Lyttelton Harbour, Banks Peninsula, Canterbury Plains, and the distant peaks of the Southern Alps. Wander the summit complex, enjoy a coffee or lunch in the cafe, and choose one of many nature walks to explore or visit the Christchurch Discovery Rice, a dramatic reconstruction of the history of the Port Hills and Christchurch.

Your accommodation: Quest on Cambridge

Quest on Cambridge serviced apartment-style hotel rooms offer guests a relaxed and comfortable Christchurch accommodation experience. Each room has an open-plan living area, a fully equipped kitchen, and natural light. Quest on Cambridge is a short walk from the south shopping centre and only a short walk to the Botanic Gardens.

Day 5

Christchurch to Kaikoura

The drive north from Christchurch to Kaikoura takes you through the rolling hills of North Canterbury's major wine region, the Waipara Valley. Allow time for a detour and visit Hanmer Springs for a dip in the mineral hot pools. Continue on and cross the Hawkswood Range before descending to the spectacular Kaikoura coastline - where the road hugs the ocean for the last leg of the drive.

SUGGESTED ACTIVITY - Ocean's Cabin with Whale Watch Kaikoura

Experience New Zealand's only marine based whale watching company. Whale Watch Kaikoura offer a once-in-a-lifetime, up close encounter with the giant Sperm Whale. You are also likely to encounter New Zealand fur seals, dusky dolphins and albatross. Depending on the season you may also see pilot, blue and southern right whales as well as migrating humpbacks. Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally make an appearance.

Cruise in style on modern catamarans, specifically designed for whale watching, featuring large passenger cabins and outside viewing decks. Passenger numbers for each tour are kept below the vessel carrying capacity to ensure your tour experience remains a personal one.

Your accommodation: Bella Vista Kaikoura

Bella Vista Kaikoura is located within walking distance to Kaikoura Whale Watch and just 5 minutes from the bustling town centre. Well equipped units offer every convenience you will need for your stay.

Day 6

Kaikoura to Picton

Today follow the coast to Picton, located at the top of the South Island. As you leave Kaikoura you'll take in the spectacular shoreline and keep a lookout for native wildlife as you go. Stop to view adult fur seals at Ohau Point, and take a short stroll along the oceanside walkway. Continuing on, you'll have the ocean on one side and the Kaikoura ranges on the other before traversing the dry hills of Marlborough, New Zealand's largest wine-producing region. Visit one of the vineyards surrounding Blenheim for a wine tasting or a gourmet lunch before beginning the final leg of your journey to Picton.

Interislander Ferry Picton to Wellington

The 92 km journey between Picton and Wellington takes around 3 hours and has been described as 'one of the most beautiful ferry rides in the world'. Around one hour of the cruise takes you through the Marlborough Sounds. This region of bush covered mountains, small islands, crystal clear waters and secluded bays offer remarkable photographic opportunities.

From the Cook Strait, spectacular views of the Kaikoura Ranges on the South Island can be enjoyed and often dolphins and sea birds are seen. After crossing the strait you approach Wellington Harbour and pass many interesting points such as Pencarrow Head on top of which is New Zealand's oldest lighthouse (1859). Red Rocks is home to a seal colony and Oterangi Bay is the site which recorded the country's highest ever wind speed of 268 kph (167 mph).

A conservation success and safe haven for some of New Zealand's rarest native animals, Zealandia is home to many remarkable species of birds, reptiles and insects living wild within a beautiful 225 hectare (one square mile) valley, just 10 minutes from the central city.

Your tour begins with an interactive exhibition before you walk through the gates of Zealandia predator-exclusion fence into the sanctuary. Your guide will then lead you on a torch-light walk through the native New Zealand bush. Possible sights include Kivi foraging on the forest floor, tuatara hunting for food, glowworms shining, tiny Maud Island frogs in their enclosure, pateke (brown teal) ducks feeding at night and kaka (parrots) coming in to roost.
