Day 4

Explore Methven

Methven, situated on the Inland Scenic Route 72, is both a summer and winter adventure wonderland. In winter the small rural village is bustling with people intent on spending as much time on the slopes of Mt Hutt ski field. When the snow melts, other activities take prominence, including walking, hot pools, hot air-ballooning or jet boating. Methven provides a good range of eating establishments and is a friendly town to spend some time in during your travels.

SUGGESTED ACTIVITY - Walking tracks in and around Mt Somers

There are a number of walking trails around Mt Somers. Below are some of the easier walking tracks including information provided by the Department of Conservation. You can find more information on longer hikes on the website and in the brochure of hiking in the area.

Nature Trail - Time: 45 min one way; Distance: 1km one way

Cross the bridge over Woolshed Creek before continuing up the true left of the creek. The river is then forded (take care fording the river, if in doubt, return the way you came) before climbing out through the dross (old coal dust) screened from coal at the bottom of the jig before returning to Woolshed Creek car park. Sidewinder Track - Time: 45 min one way; Distance 1km one way

This steep hill track begins with a short walk through a small pocket of silver beech/tawhai that escaped fires that swept through the Ashburton Gorge. The track then steepens and climbs up to and through the tailings of the old Blackburn Mine where it links with Miners Track to provide either a return trip back to the Woolshed Creek car park or a chance to continue on to Woolshed Creek Hut.

Day 6

Methven to Christchurch

Follow the inland scenic route across the Rakaia Gorge taking time to stop and enjoy the spectacular views of the river. The tiny villages of Windwhistle, Glenroy and Glentunnel guide you towards Darfield, a larger agricultural service centre and then onto the city of Christchurch.

Explore Christchurch

Following earthquakes that razed its centre and much of the outlying suburbs, Ōtautahi-Christchurch is well into a billion-dollar makeover. In the middle of the Canterbury Plains, bordering the Pacific Ocean, New Zealand's newest city is an ideal gateway to exploring the middle of the South. Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink. Drive an hour in any direction to ski, mountain bike, wine taste, whale-watch, bungee jump or play golf. Take the winding Port Hills road to the French settlement of Akaroa & Banks Peninsula and tour the vines in Waipara for an authentic New Zealand wine-tasting experience.

SUGGESTED ACTIVITY - International Antarctic Centre General Admission

The International Antarctic Centre aims to recreate the atmosphere and environment of Antarctica, providing visitors with an interactive, fun, and educational experience. Feel the full Four Seasons of Antarctica, where you'll experience a custom-built snow and ice experience, then warm up in the Scott Base interior exhibit, a replica Antarctic field camp, or other informative displays in the gallery. You'll also learn about life in modern-day Antarctica, view real little blue penguins, and experience a thrilling ride in a Hagglund all-terrain vehicle.

SUGGESTED ACTIVITY - Christchurch Gondola

In the Heathcote Valley, just a 20-minute drive from the heart of Christchurch City, ride the Christchurch Gondola for nearly a kilometer to the collapsed rim of an extinct volcano, which exploded six million years ago. Take in the spectacular panoramic views of the central city, Lyttelton Harbour, Banks Peninsula, Canterbury Plains, and the distant peaks of the Southern Alps. Wander the summit complex, enjoy a coffee or lunch in the cafe, and choose one of many nature walks to explore or visit the Christchurch Discovery Ridge, a dramatic reconstruction of the history of the Port Hills and Christchurch.

Your accommodation: Quest on Cambridge

Quest on Cambridge serviced apartment-style hotel rooms offer guests a relaxed and comfortable Christchurch accommodation experience. Each room has an open-plan living area, a fully equipped kitchen, and natural light. Quest on Cambridge is a short walk from the south shopping centre and to the Botanic Gardens.

Day 7

Return Your Vehicle to Christchurch Airport

It's time to return your rental car and let the South Island journey come to an end. If time allows spend the day exploring more of Christchurch, we'd suggest a leisurely drive up the Port Hills for some great sites and then over to the harbour of Lyttelton, before circling through the tunnel and back to the airport to continue your journey home.

SUGGESTED ACTIVITY - Christchurch Combo - Tram and Gondola

Experience two of Christchurch's iconic attractions in one day: the Christchurch Tram and Christchurch Gondola. The historic tram is a delightful way to explore the evolving inner city, taking in the various sights with the hop-on hop-off pass and learning about the city from the live commentary. You'll also enjoy a bird's eye view of Christchurch and the Canterbury region including the distant peaks of the Southern Alps when you ride the gondola cableway to the top of the Port Hills in Heathcote Valley.
